Following Ho Chi Minh:

Following Ho Chi Minh Tin Bui, 1999-03-31 Here is a wealth of gossip level detail about life on the inside at the top in Hanoi material Hanoi watchers lust after seldom find Indochina Chronology A rarity A true North Vietnamese insider speaking candidly Book World 30 April 2000 [Following Ho Chi Minh](#) Tín Búi, 2003 **Following Ho Chi Minh** Bùi Tín, 1995 [Viet Nam](#) Ben Kiernan, 2017-02-10 This comprehensive work traces Viet Nam's history a narrative of a multi ethnic multi religious heritage from ancient chiefdoms to imperial provinces from independent kingdoms to contending regions civil wars French colonies and modern republics [Hanoi's Road to the Vietnam War, 1954-1965](#) Pierre Asselin, 2013-08-02 Hanoi's Road to the Vietnam War opens in 1954 with the signing of the Geneva accords that ended the eight year long Franco Indochinese War and created two Vietnams In agreeing to the accords Ho Chi Minh and other leaders of the Democratic Republic of Vietnam anticipated a new period of peace leading to national reunification under their rule they never imagined that within a decade they would be engaged in an even bigger feud with the United States Basing his work on new and largely inaccessible Vietnamese materials as well as French British Canadian and American documents Pierre Asselin explores the communist path to war Specifically he examines the internal debates and other elements that shaped Hanoi's revolutionary strategy in the decade preceding U S military intervention and resulting domestic and foreign programs Without exonerating Washington for its role in the advent of hostilities in 1965 Hanoi's Road to the Vietnam War demonstrates that those who directed the effort against the United States and its allies in Saigon were at least equally responsible for creating the circumstances that culminated in arguably the most tragic conflict of the Cold War era

Patriots and Tyrants Ross Marlay, Clark D. Neher, 1999 This innovative text explores the extraordinary personal and political lives of ten leaders who profoundly changed twentieth century Asian history China India Vietnam Cambodia and Indonesia are interpreted through the lives of Mao Zedong Deng Xiaoping Mohandas Gandhi Indira Gandhi Ho Chi Minh Ngo Dinh Diem Norodom Sihanouk Pol Pot Sukarno and Suharto Some recast their countries by force of arms others by the power of their ideology Some were born into poverty others into privilege Some were democrats some autocrats some communists But however great their differences each can claim to be an authentic nationalist Using a biographical approach this book will stimulate students to think about the relationship between political leadership and nationalism *Renovating Politics in Contemporary Vietnam* Zachary Abuza, 2001 Moving from the 1950s to the present Zachary Abuza explores Vietnamese politics and culture through the lens of the internal debates over political reform Abuza focuses on issues of representation intellectual freedom the rise of civil society and the emergence of a loyal opposition assessing the prospects for change He finds that while some mildly dissident groups may add impetus to the effort internal party protest remains the most legitimate and most likely form of political dissent in the country His analysis offers a compelling portrayal of the extraordinary contradictions that are at the core of contemporary Vietnam Abuza explores contemporary Vietnamese politics

through the lens of the internal debates over political reform *Vietnamese Women at War* Sandra C. Taylor,1999 For as long as the Vietnamese people fought against foreign enemies women were a vital part of that struggle The victory over the French at Dien Bien Phu is said to have involved hundreds of thousands of women and many of the names in Viet Cong unit rosters were female These women were living out the ancient saying of their country When war comes even women have to fight

Diem's Final Failure Philip E. Catton,2002 Catton treats the Diem government on its own terms rather than as an appendage of American policy Focusing on the decade from Dien Bien Phu to Diem's assassination in 1963 he examines the Vietnamese leader's nation building and reform efforts particularly his Strategic Hamlet Program which sought to separate guerrilla insurgents from the peasantry and build grassroots support for his regime Catton's evaluation of the collapse of that program offers fresh insights into both Diem's limitations as a leader and the ideological and organizational weaknesses of his government while his assessment of the evolution of Washington's relations with Saigon provides new insight into America's growing involvement in the Vietnamese civil war

Vietnam John Prados,2009 The first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts America [Daily Report](#) ,1985-07 [Victory in Vietnam](#) Military History Institute of Vietnam,2002 The first English language translation of the definitive chronicle of the Vietnamese military's view of the Vietnam War published for the first time in the United States [In Their Defense](#) Kim Vinh Phạm,1985

Anderson,1993 Harry Truman's administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In *Shadow on the White House* seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation's frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president's decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon.com
