and future scholars who ponder their connections with others as well as life's grander meaning. If we as adults read intentionally with children, literature can even help us as adults and the children we love forge a relationship with God as well as a deeper communal understanding of the Catholic faith and its rich traditions. An intentional guided path is what this book provides; it is a compass to navigate the vast questions of Catholicism illuminated by the magic of literature. Breathing fresh life into catechesis, LuElla D. Amico offers practical examples of how adults can broach complex religious questions inspired by a spectrum of classical and popular texts. Inside you'll discover faith topics children often struggle with drawn from a diverse array of chapter and picture books that are already staples in parochial, public, and homeschool settings alike.
