Fall Guy For A Killer:

Fall-guy for a Killer Frank Gruber,1942 **Killer's Baby (A Bad Boy Mafia Romance)** Riley Masters,2017-05-19 I take lives for a living but now I've made one DAMON I'm a stone cold killer but she's melted my heart Mafia soldier Man whose Murderer I'm the exact opposite of what a girl like Beatrice Bentley deserves She's shy innocent and beautiful and I've never met a woman who can hold my attention like she does A guy like me can only bring trouble for her but the heat between us is undeniable and every time I see her I want to take her in my arms and show her what she's been missing all these years in her sheltered life as the child of a politician Her father is running for President and the chances of him letting a hitman anywhere near his precious daughter during the campaign are less than zero I have a plan though a hitman always has a plan The only thing I didn't plan was getting her pregnant BEA I've finally tasted a real man and the rest of the world will never taste the same I've always been a good girl always stayed on the straight and narrow and always done as I was told It's hard not to when you're a Presidential candidate's daughter As long as I keep toeing the line and keeping up my law school grades my family will be happy and I'll avoid any trouble But then real trouble comes along and it has a name Damon Wilkerson His gorgeous eyes are filled with sin his lips tempt me like nothing else and his body makes me want to join him on the dark side but I didn't realize just how dark that side was I knew he was all wrong for me and I knew I should stay away but I didn't and now I'm in even more trouble I'm pregnant and I'm having a killer's baby *Killer's Baby* is a steamy standalone mafia romance No cheating and a guaranteed happy ending **Murder Girl** Lisa Renee Jones,L.R. Jones,2018-07-20 It's Lilah Love's job to inhabit a killer's mind The unapologetically tough FBI profiler is very comfortable there But her latest case is making her head spin It's a string of brutal assassinations carried out across the country each tied to a mysterious tattoo Body by body she's followed the clues all the way back to her hometown And every step of the way the killer has been following her Here beneath the glamour of the privileged Hamptons community is a secret long buried but never forgotten It's bigger than Lilah It's powerful enough to escape the reach of the FBI And it's more personal than anyone can imagine Because it's hiding in Lilah's own past To fight it she's forced to turn to her lethally tempting ex Kane Mendez He's an expert at bringing out Lilah's darkest impulses If she plans to survive she's going to need them **Murder and Lies** Lisa Renee Jones,2022-11-14 Two worlds Two women with very different stories *Love Murder Lies* *Murder and Lies* includes two full length books in one edition *Murder Notes* book one in the Lilah Love series As an FBI profiler it's Lilah Love's job to think like a killer And she is very good at her job When a series of murders surface the victims all stripped naked and shot in the head Lilah's instincts tell her it's the work of an assassin not a serial killer But when the case takes her back to her hometown in the Hamptons and a mysterious but unmistakable connection to her own life all her assumptions are shaken to the core Thrust into a troubled past she's tried to shut the door on Lilah's back in the town where her father is mayor her brother is police chief and she has an intimate history with the local crime lord's son Kane Mendez The two share a devastating secret and only Kane

understands Lilah's own darkest impulses. As more corpses surface, so does a series of anonymous notes to Lilah threatening to expose her. Is the killer someone in her own circle? And is she the next target?

A Perfect Lie, a standalone domestic thriller by Hailey Anne Monroe. I'm twenty-eight years old. An artist who found her muse on the canvas because I wasn't allowed to have friends or even keep a journal. And yes, if you haven't guessed by now, I'm that Hailey Anne Monroe, daughter to Thomas Frank Monroe, the man who was a half-percentage point from becoming President of the United States. If you were able to ask him, he'd probably tell you that I was the half point. But you can't ask him, and he can't tell you. He's dead. They're all dead, and now I can speak.

Historical Dictionary of Crime Films, Geoff Mayer, 2012-09-13. The crime film genre consists of detective films, gangster films, suspense thrillers, film noir, and caper films, and is produced throughout the world. Crime film was there at the birth of cinema, and it has accompanied cinema over more than a century of history, passing from silent films to talkies, from black and white to color. The genre includes such classics as *The Maltese Falcon*, *The Godfather*, *Gaslight*, *The French Connection*, and *Serpico*, as well as more recent successes like *Seven*, *Drive*, and *L.A. Confidential*. *The Historical Dictionary of Crime Films* covers the history of this genre through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on key films, directors, performers, and studios. This book is an excellent access point for students, researchers, and anyone wanting to know more about crime cinema.

Film Noir and the Cinema of Paranoia, Wheeler Winston Dixon, 2019-07-29. *Film Noir and the Cinema of Paranoia* is an overview of 20th and 21st-century noir and fatalist film practice from 1945 onwards. The book demonstrates the ways in which American cinema has inculcated a climate of fear in our daily lives, as reinforced starting in the 1950s by television and later videocassettes, the web, and the Internet, to create by the early 21st century a hypersurveillance atmosphere in which no one can avoid the barrage of images that continually assault our senses. The book begins with the return of American soldiers from World War II, liberated from war in the Pacific by the newly created atomic bomb, which will come to rule American consciousness through much of the 1950s and 1960s, and then in a newer, more small-scale way, become a fixture of terrorist hardware in the post-paranoid era of the 21st century. *Film Noir and the Cinema of Paranoia* is constructed in six chapters, each highlighting a particular raising of the cinematic stakes in the creation of a completely immersible universe of images.

Selling Points: Expands the definition of noir to include numerous lesser-known works. Deals with Red Scare films of the 1950s in the US. Examines the dark side of the 1960s or films that questioned the emerging counterculture. Explores such neo-noir films as *The Last Seduction* (1993), *Angel Heart* (1987), *The Grifters* (1990), *Red Rock West* (1993), *The Usual Suspects* (1995), *Mulholland Drive* (2001), *L.A. Confidential* (1997), and *Memento* (2000). Details the noir aspects of the cybernetic age, both in online and videogame uses.

Murder Notes, Lisa Renee Jones, L.R. Jones, 2018-03-27. As an FBI profiler, it's Lilah Love's job to think like a killer. And she is very good at her job. When a series of murders surface, the victims all stripped, naked, and shot in the head, Lilah's instincts tell her it's the work of an assassin, not a serial killer. But when the case takes her back to her hometown in

the Hamptons and a mysterious but unmistakable connection to her own life all her assumptions are shaken to the core Thrust into a troubled past she s tried to shut the door on Lilah s back in the town where her father is mayor her brother is police chief and she has an intimate history with the local crime lord s son Kane Mendez The two share a devastating secret and only Kane understands Lilah s own darkest impulses As more corpses surface so does a series of anonymous notes to Lilah threatening to expose her Is the killer someone in her own circle And is she the next target The Lilah Love Series Murder Notes Murder Girl Love Me Dead Love Kills Bloody Vows Bloody Love Happy Death Day **In Search of a Solar Hero** Alexander Francis Horn,1987 Three plays dealing with the assassination of political figures during the 1960s
