Ethical Issues In Prosecution:

Ethical Issues in Prosecution John Jay Douglass,1988 *Do No Wrong* Peter A. Joy,2009 *Do No Wrong* Ethics for Prosecutors and Defenders is designed to help provide guidance for resolving ethical issues such as How far may the prosecution or defense go in using religion in closing argument Does the defense lawyer or the client decide whether to raise an insanity defense or to present mitigation evidence Is the defendant entitled to Brady material prior to entering a plea bargain When may the defense introduce evidence of an alternate perpetrator or SODDI the some other dude did it defense A list of research resources appears at the end of each chapter In addition to exploring ethical issues that prosecutors and defense attorneys routinely face this book also examines emerging areas of ethics such as lawyer involvement in client media campaigns and ongoing policy debates over the proper roles for prosecution and defense counsel **Ethical Considerations in Prosecution** John Jay Douglass,1977 What's Changing in Prosecution? National Research Council,Division of Behavioral and Social Sciences and Education,Committee on Law and Justice,2001-05-23 This workshop arose out of the efforts of the Committee on Law and Justice to assist the National Institute of Justice in identifying gaps in the overall research portfolio on crime and justice It was designed to develop ideas about the kinds of knowledge needed to gain a better understanding of the prosecution function and to discuss the past and future role of social science in advancing our understanding of modern prosecution practice The Committee on Law and Justice was able to bring together senior scholars who have been working on this subject as well as current or former chief prosecutors judges and senior officials from the U S Department of Justice to share their perspectives Workshop participants mapped out basic data needs discussed the need to know more about recent innovations such as community prosecution and discussed areas where one would expect to see changes that have not occurred The resulting report summarizes these discussions and makes useful suggestions for learning more about prosecution **Performance of the Prosecution Services in Latvia A Comparative Study** OECD,2021-01-11 Latvia has embarked on an ambitious agenda to tackle the challenges posed by complex types of criminality to public prosecution services with particular emphasis on economic and financial crimes This report carries out a benchmark analysis of Latvia s prosecution practices along with those in ten OECD member countries international good practices and the experience of globally renowned prosecution experts Ethical Issues in Health Care Margot Joan Fromer,1981 **Prosecuting Complex Drug Cases** Heike P. Gramckow,1993 **Prosecuting Domestic Violence** Michelle Madden Dempsey,2009 This text provides a philosophical investigation of the criminal prosecution of domestic violence It features a theoretical framework for understanding ongoing debates regarding the criminal justice system s response to domestic violence **Cases and Other Authorities on Legal Ethics** George Purcell Costigan,1917 **An Introductory Guide to EC Competition Law and Practice** Valentine Korah,1994 *Prosecution* Alfred Bettman,Howard Fletcher Burns,1921 **Ethical Issues in Information Systems** Roy Dejoie,George C. Fowler,David B. Paradice,1991 This

book explores the impact of technology on ethical issues A series of real world scenarios are drawn from both business and technology oriented contexts *Lawyers on Trial* Christopher Whelan,2024-11-14 Whelan has written a book that anyone interested in the law should queue to buy The Times of the 1st edition A classic work Michael Beloff KC Former President Trinity College Oxford Treasurer Gray s Inn Lawyers are universally unpopular but is that justified Aren t lawyers necessary for justice This book uses real world examples case studies and commentary from practitioners to answer this question and to reveal the many and varied strategies American and English lawyers use to protect clients It shows how lawyers tackle their conflicting duties and highlights the choices lawyers everywhere routinely make through their power of decision What emerges are new ways of understanding the critical role lawyers play in society and their professional responsibilities This new edition considers the litigation surrounding Donald Trump and the role played by his lawyers It includes a new chapter on SLAPPs and the way the law is used to advance clients interests This book presents a unique and fascinating account of what happens when lawyers duties to clients conflict with their duties to the legal system and looks in detail at the ethical codes and laws that regulate their conduct

Society, Crime, and Prosecution V. N. Sehgal,Surinder Nath,M. K. Bhasin,2005 It is essential for the law enforcement agencies to identify an individual responsible for a criminal act from among a multitude of people This is possible only if the law enforcement agency is well equipped with modern laboratories where scientific analysis of physical evidence recovered from crime scenes is possible It is not only physical evidence but even trace evidence like strand of fiber or hair or a latent impression of a finger a washed blood spot a fragment of a bone or single tooth could unfold unsolved mysteries of crime to help the law enforcement agencies This volume also deals with trends and legal status of lie detection in medico legal investigations as well as about the intricacies of the prosecution process Besides dealing with the theories of crime and its causation violence against women and the role of forensic science in the contemporary society has also been dealt with

California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., Received document entitled APPELLANT S SUPPLEMENTAL BRIEF **United States of America V. Trapnell** ,1980 *New York Court of Appeals. Records and Briefs.* New York (State)., **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State)., The Special Prosecutor in American Politics Katy Jean Harriger,2000 The federal special prosecutor unprincipled abuser of power or staunch defender of the law As Katy Harriger shows the special prosecutor was a hotly debated and controversial subject throughout much of its existence This was especially true she argues during the lengthy expensive and highly politicized investigations of Lawrence Walsh and Kenneth Starr into allegations concerning Presidents Ronald Reagan and Bill Clinton Harriger offers the most complete assessment available of the use of special prosecutors in the post Watergate era She analyzes the independent counsel s role within the framework of the separation of powers explaining how each has interacted with other key players in the political and legal system and showing how those relationships have affected the prosecutor s ability to conduct investigations

Harriger's previous edition focused on the legacy of Watergate but was published before Walsh's Iran Contra investigations were concluded. Her new study adds substantially more information on Iran Contra, provides a clearheaded appraisal of Starr's sensationalized Whitewater Lewinsky investigations, examines a number of senior level cabinet probes and critiques, and clarifies the role of Attorney General Janet Reno in these latter matters. A completely new chapter compares Iran Contra and Whitewater Lewinsky to explore the limits of the law in the special prosecutor's efforts. In this new edition, Harriger includes 20 new interviews with Washington insiders, including one with Kenneth Starr, and covers the debates that led to both the reauthorization of the independent counsel statute in 1994 and its demise in 1999. She then examines the pros and cons of the office and offers constructive suggestions for improvement should it be revived. For students, scholars, and concerned citizens, her book takes us well beyond frenzied media hype and partisan politics to provide a timely reminder about the crucial role of separation of powers in our system of governance.
