Geometry I Marcel Berger, 2009-01-17 Volume I of this 2 volume textbook provides a lively and readable presentation of large parts of classical geometry For each topic the author presents an esthetically pleasing and easily stated theorem although the proof may be difficult and concealed The mathematical text is illustrated with figures open problems and references to modern literature providing a unified reference to geometry in the full breadth of its subfields and ramifications

Algebraic Geometry I: Schemes Ulrich Görtz, Torsten Wedhorn, 2020-07-27 This book introduces the reader to modern algebraic geometry It presents Grothendieck's technically demanding language of schemes that is the basis of the most important developments in the last fifty years within this area A systematic treatment and motivation of the theory is emphasized using concrete examples to illustrate its usefulness Several examples from the realm of Hilbert modular surfaces and of determinantal varieties are used methodically to discuss the covered techniques Thus the reader experiences that the further development of the theory yields an ever better understanding of these fascinating objects The text is complemented by many exercises that serve to check the comprehension of the text treat further examples or give an outlook on further results The volume at hand is an introduction to schemes To get started it requires only basic knowledge in abstract algebra and topology Essential facts from commutative algebra are assembled in an appendix It will be complemented by a second volume on the cohomology of schemes

Algebraic Geometry I David Mumford, 1995-02-15 From the reviews Although several textbooks on modern algebraic geometry have been published in the meantime Mumford's Volume I is together with its predecessor the red book of varieties and schemes now as before one of the most excellent and profound primers of modern algebraic geometry Both books are just true classics Zentralblatt *The Academy*, 1891 **Annual Catalogue of Baylor University at Waco, Texas** Baylor
