Bureau of American Ethnology,1881 *Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution* Smithsonian Institution,1881 *The Church Review* ,1886 **Carol Reed** Peter William Evans,2019-01-04 Carol Reed is one of the truly outstanding directors of British cinema and one whose work is long overdue for reconsideration This major study ranges over Reed s entire career combining

observation of general trends and patterns with detailed analysis of twenty films both acknowledged masterpieces and lesser known works Evans avoids a simplistic auteurist approach placing the films in their autobiographical socio political and cultural contexts and relating these to the analysis of Reed s art The critical approach combines psychoanalysis gender theory and the analysis of form Archival research is also relied on to clarify Reed s relations with his creative team financial backers and others Films examined include Bank Holiday A Girl Must Live Odd Man Out The Fallen Idol The Third Man Night Train to Munich The Way Ahead Outcast of the Islands Trapeze and Oliver
