Chuck Sambuchino

For Writers Only:

For Writers Only Sophy Burnham, 1994 I see but one rule to be clear Stendhal If only it were as easy for most writers as it was for Stendhal The truth about the act of writing is much more varied even violent In fact there seem to be as many contradictory admonitions about how to go about doing it as there are writers themselves With that in mind writer Sophy Burnham has collected the thoughts of some of the greatest writers and laced them with her own observations and experiences of the writer s life With an emphasis on the emotions that writing wrings from those who practice it Burnham writes about beginning a work prematurely the ecstasy when the writing is really flowing the crash that can follow the flight and how to pick yourself up and continue Most of all you will be reassured enlightened and inspired to learn that in your own writing struggles you are not alone
