

Five Paths to Implement a Foreign Policy Expertise Curriculum

Implementing a new curriculum would improve foreign policy quality, professionalize diplomacy, empower learning, enhance meritocracy, and de-politicize foreign policy. State may choose one of these paths.

1. Impose as a requirement

Simply require that all Foreign Service officers enroll in a class at FSI that covers the full curriculum.

4. Incentivized but not required

Offer a pay bump or commendation in one's promotion file for undergoing the curriculum.

2. Test to evaluate competency

Develop a standardized test for mastery of the curriculum and offer test prep; more cost-effective.

5. Voluntary adoption

The most likely starting point; where FSI training stands today. Unlikely to have meaningful impact.

3. Curriculum-aligned doctrine

Formally spell out skills taught in the curriculum in official doctrine for the Department of State.
