Grimm's fairy tales for children and the household, tr. by B. Marshall. Complete ed Jacob Ludwig C. Grimm,1900 **Grimm's**

Complete Fairy Tales Jacob Grimm, Wilhelm Grimm, 2012-11-15 No library is complete without the classics. This new edition collects the legendary fairy tales of the Brothers Grimm. They are the stories we've known since we were children: Rapunzel, Hansel and Gretel, Cinderella, Sleeping Beauty. But the works originally collected by the Brothers Grimm in the early 1800s are not necessarily the versions we heard before bedtime. They're darker and often don't end very happily, but they're often far more interesting. This edition of Grimm's Complete Fairy Tales includes all our cherished favorites: Snow White, Rumpelstiltskin, Little Red Cap, and many more in their original versions. Many of these tales begin with the familiar refrain of "once upon a time," but they end with something unexpected and fascinating. Lesson Guide for Captioned Films, XX, 1984

This selection contains 80 stories and includes some of the best known, such as Briar Rose (perhaps better known as Sleeping Beauty) and Little Red Cap. Little Red Riding Hood, as well as some lesser-known tales like The Bremen Town Musicians, The Goose Girl, and King Thrusbeard. Handsome princes and princesses, wicked witches, and stepmothers, benevolent kings, and fortune seekers abound among the stories that were collected from all over Germany in the folklore tradition. But no matter what the moral of the story, good always triumphs over evil. Also included are more a selection of Arthur Rackham's marvellous illustrations which inject new life into these timeless tales.
