**LOST and PROFOUND** Mark McKirdy, 2015-03-03 **LOST and PROFOUND** The Rejected Book Reviews by Famous People is a unique and hilarious collection of unpublished book reviews seemingly written by household names who have reached the top in film television journalism science music sport art business politics and literature Included among the reviewers are George W Bush David Letterman Madonna Gore Vidal Shirley MacLaine Arnold Palmer Elton John Gloria Steinem David Suzuki Walter Cronkite Salvatore Sammy the Bull Gravano Jimmy Swaggart and Monica Lewinsky All the books reviewed are real and the astonishing diversity of interests of the celebrities demonstrates that shallow perception can never be disguised as deep thought no matter how cleverly expressed As revealed in the book s Introduction Mark McKirdy acquired this collection when he successfully bid for a small dusty box at a Sotheby s auction in 2013 Upon his return to Oxford University where he was the anthropologist in residence he opened the box and like Howard Carter marveling at the treasures he d just unearthed from Tutankhamun s tomb in 1922 the author was holding a golden collection of book reviews by many of the world s most significant people Each review had apparently been commissioned by the prestigious literary journal The London Review of Books and each for reasons never revealed received a soul crushing rebuff by way of a large red Rejected stamp As with all well written satire **LOST and PROFOUND** will give readers pause for thought seconds for chuckling minutes of laughing out loud and hours of fun and if the celebrities mentioned in the book didn t actually write the reviews cited they probably wish they had

**Satellite Ministries** Febe Armanios, 2025 In 1981 a satellite television station called Star of Hope began broadcasting from Israeli occupied South Lebanon Backed by American missionaries Israeli politicians and Lebanese Catholic leaders the channel aired Western entertainment and Christian content using a repurposed ABC Monday Night Football truck situated on the Israel Lebanon border Later renamed Middle East Television METV its programming included American soap operas sports and evangelical content alongside innovative Arabic Christian televangelism It was a station of enormous consequence METV spurred the growth of competing Christian broadcasters and reshaped the Middle East s media and religious landscape over the next four

decades Yet it was of course controversial its foreign imperialist and proselytizing approach to media was a source of curiosity and consternation in the region and occasionally around the world Through extensive fieldwork and archival research Febe Armanios explores how Western evangelicals and indigenous Christians harnessed terrestrial and satellite technologies to promote Christian television in the Middle East The fifteen channels analyzed in this study fall into three main categories Western backed conservative outlets with a charismatic and apocalyptic outlook middle ground channels that sought to balance their international sponsors expectations with local interests and grassroots initiatives rooted in ancient church traditions The histories and programming strategies of primarily Arabic but also Turkish and Persian Christian channels reveal how media producers forged unexpected political alliances pursued sectarian objectives and navigated various transnational influences Satellite Ministries explores how modern expressions of faith technology and political power intersected and clashed across the Global South and beyond In this groundbreaking work Armanios presents a crucial examination of this unique and little known media landscape

Lifting Up the Senior Spirit Janet Mitchell Hisbon,2012-06 The crocus flower bulb has special meaning for the design cover It was selected because it is symbolic of the act of lifting the Senior Spirit from the emotional dark cold winter season of an older adult s mundane and dull life to give birth to change and the springtime of a new way of life These beautiful blossoms breaking through the snow and ice represent the inner struggle that one encounters to bloom where they are planted What is happening to them is not mere happenstance something larger than them are at work within them Someone wiser than they are has a word to speak and that word is Yes to God s will and His way in their new life It is also a reminder of the death and resurrection of Jesus from the dark tomb to the newness of life Jesus rose that we may have life and that we may have it more abundantly So it is with Older Adults they rise to a better quality of life and at the same time preserve their dignity
