Healing Spiritual Abuse:

Healing Spiritual Abuse Ken M. Blue, 1993-09-10 Asserting that spiritual abuse in the church is more common than we realize Ken Blue examines the causes of spiritual abuse identifies abusive patterns offers healing to those who have suffered abuse and describes how leaders should model the gospel of grace *Spiritual Abuse Recovery Workbook* David Henke, 2021-08-02 The *Spiritual Abuse Recovery Workbook* was written to facilitate healing and recovery for people who have experienced the destructive consequences of being spiritually abused **Toxic Faith** Stephen Arterburn, Jack Felton, 2011-04-13 *Experiencing Healing from Painful Spiritual Abuse* When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict Toxic Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair Toxic Faith shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing **Healing Spiritual Abuse & Religious Addiction** Matthew Linn, Sheila Fabricant Linn, Dennis Linn, 1994 Discusses the realities of spiritual abuse and religious addiction how they are defined the reasons they exist and how people can move beyond vulnerable life patterns in order to enjoy a more lifegiving relationship with God and with a healthy faith community *Healing the Wounds of Spiritual Abuse* Mike Antony Case, 2017-02-21 This book *Healing the Wounds of Spiritual Abuse* bears a very close resemblance to the author's previous 2015 publication *Deadly Toxins of Unhealthy Churches* It carries a similar message as the earlier volume Many victims of spiritual abuse are in greater need of healing than of learning about the intricacies of abusive churches and so after much thought and prayer it was decided to publish another related volume that puts greater emphasis on the healing process and less on the dynamics of toxic churches So if you have already read the earlier volume you may want to consider whether or not to purchase this one Having come to the realization that they were involved with an abusive church many victims of such churches find themselves in an unending loop of distress anger resentment grief and feelings of abandonment Their sojourn in a cultic group is over but the pain remains This publication emphasizes the process of departing such churches healing the emotional wounds forgiveness trust reconciliation personal restoration and a modern day transformation of a cultic church towards orthodoxy As a friend of mine recently reminded me Jesus came not just to save the lost but to set the captives free as well This book emphasizes and points the way to freedom for anyone who has ever been hurt by toxic Christianity
