Subcommittee on Departments of Labor, Health and Human Services, Education, and Related Agencies,1997 *Efficiency
of Social Sector Expenditure in India* Brijesh Purohit,2014-08-01 Government investments in social sector has always played
an important role in tackling social issues and facilitated in the alleviation of poverty Hence budgetary expenditure to be
mobilized for such investments needs to be efficiently allocated and utilized to maximize the greatest good This book focuses
on the social sector in India and provides an overview of the sector The book looks at 15 major Indian states between the
year 2000 2011 to see how these states had invested in social sector and whether they had met the criteria of efficient social
sector investment Using stochastic frontier models the book provides an efficiency norm and making use of this normative
estimate it compares performance across 15 Indian states and suggests important policy implications to improve the future
performance of the social sector The book adopts various quantitative techniques in the analysis and establishes that
inefficient and inappropriate allocation of inputs was made in both health and education sectors The book suggests that such
problems and future challenges could be overcome by an appropriate mix of emphasis in different activities This book will
provide insight for those who want to learn more about how to build the capacity of the social sector in more efficient manner
