Hands Like Clouds:

Taichi Arthur T. Orawski, 1996 The Easy Tai Chi for Weight Loss Ashley C. Poche, 2026-02-09 If you're over 40 and have noticed that your body doesn't respond to workouts and diets the way it used to, you're not alone and there's a reason for that. Research shows that metabolism decreases by up to 8% every decade after 40, making conventional weight loss strategies less effective. 81% of people over 45 report increased belly fat due to hormonal changes and stress, not overeating. And high intensity workouts? Nearly 70% of those over 40 report experiencing joint pain, fatigue, or minimal results. The issue isn't you; it's the method you've been using. When the body is stressed, inflamed, or overtired, fat burning slows down. That's why pushing harder or eating less often leads to more frustration and weight gain. Tai Chi offers a powerful alternative: burning fat through slow, deliberate movement that works with your body, not against it. Clinically shown to reduce cortisol (the hormone that stores belly fat), boost metabolism through gentle muscle activation, improve balance by up to 40% in older adults, reduce inflammation, allowing your body to burn fat naturally, enhance mood, improve sleep, and help with emotional control (key for cravings). And the best part? Just 10 minutes of your time a day is all you need. No intense workouts, no strain, no special equipment, and no prior experience required. The Easy Tai Chi for Weight Loss is a simple, beginner-friendly program that works for anyone at any age or fitness level. In just 28 days, inside you'll find gentle fat-burning flows you can do anywhere, movements that heal your joints instead of stressing them, breathing exercises that calm stress and boost energy, a Tai Chi plate eating guide that works with your hormones, adaptations for both standing and seated options, built-in habit trackers so you never fall off track. This isn't just another fitness plan; it's a reset for your body, your metabolism, and your mindset. If you're ready to feel in control of your body again, calmer, stronger, and leaner in just 10 minutes a day, then this book is for you. Are you ready to begin your transformation?
