confident too complex and I m too crass too wild too dangerous Turns out love conquers all and when she ends up in the cross hairs of our enemy I ll burn the world to keep her safe Reaper I don t like complications and Ximina is the biggest complication I ve ever met Her demand for protection draws me into a deadly conspiracy that pushes me to choose between my MC and my love for her Red My life is spiralling out of control when Stella storms into it Despite the crazy her love is the only thing I can count on when death and betrayal tear my world apart When Stella is threatened allies and enemies find out how dangerous it is to cross me Eight It s a family affair that starts and ends on a nightmare when Selkie and I are forced together for the sake of our kids As we battle our demons and find our way to each other outside forces conspire to destroy our fragile love Joker Kate is the love of my life and my biggest regret When old ghosts and new enemies conspire to separate us I ll forge a path of destruction to hang on to the only woman I ve ever loved Hangman We re on opposite sides of the law but resisting Del is a losing game A brutal twist of fate binds us together as we struggle for our very survival While our love heals us my vengeance will know no bounds My enemies will beg to die after I m through with them
