C	This person thinks it's important to get on well with your neighbours.	0
D	This person has called the police about their neighbours.	
E	This person liked listening to their neighbours.	
F	This person lives above their neighbours.	
G	This person doesn't want to talk to their neighbour about the noise he makes.	

0 Actually, I don't know my neighbours very well. They seem quite nice though. We say 'Hi' across the garden fence occasionally, and I once helped them when their car was stuck in the snow. I think it's important to be friendly with your neighbours, but not too friendly!

1 I can't stand my neighbours. They play loud music, they argue constantly and they shout at their children in the street. Worst of all, they have a huge, scary dog that runs around all over the place.

2 Our downstairs neighbours always complain that we make too much noise, but we think we're quite quiet. They say that the sound of our feet disturbs them when we're walking around in our flat. But that's not our problem – we can't walk any more quietly!

3 I used to live in a really old street in Italy. Some students lived across the road. They were all great musicians, and every evening they used to play their instruments loudly with the windows open. I loved their music, so I didn't mind the noise at all.

4 My neighbour is really nice, but he's very old and he doesn't hear so well. He has the volume on his TV turned up really loud all the time during the day, and sometimes in the middle of the night. It really annoys me, but I don't want to complain – it might upset him.

5 Our upstairs neighbours have become our best friends. We spent months just having tea together and then one day they ~~invited us to their flat for a cup~~ of tea. We found we have lots of the same hobbies and interests, and now we spend a lot of time together.
