Forging the Past Daniel Marrone, 2016-08-11 At once familiar and hard to place the work of acclaimed Canadian cartoonist Seth evokes a world that no longer exists and perhaps never existed except in the panels of long forgotten comics Seth's distinctive drawing style strikingly recalls a bygone era of cartooning an apt vehicle for melancholy gently ironic narratives that depict the grip of the past on the present Even when he appears to look to the past however Seth born Gregory Gallant is constantly pushing the medium of comics forward with sophisticated work that often incorporates metafiction parody and formal experimentation *Forging the Past* offers a comprehensive account of this work and the complex interventions it makes into the past Moving beyond common notions of nostalgia Daniel Marrone explores the various ways in which Seth's comics induce readers to participate in forging histories and memories Marrone discusses collecting Canadian identity New Yorker cartoons authenticity artifice and ambiguity all within the context of comics unique structure and texture Seth's comics are suffused with longing for the past but on close examination this longing is revealed to be deeply ambivalent ironic and self aware Marrone undertakes the most thorough sustained investigation of Seth's work to date while advancing a broader argument about how comics operate as a literary medium Included as an appendix is a substantial interview conducted by the author in which Seth candidly discusses his work his peers and his influences
