

Treason and Espionage

Treason and espionage are among the most serious felonies.

- **Treason** refers to a U.S. citizen's action to help a foreign government overthrow, make war against, or seriously injure the United States.
- **Espionage** is similar, but can be committed by non-citizens as well. It refers to gathering, transmitting, or losing information relating to national defense in such a manner that the information becomes available to enemies of the U.S. and may be used to their advantage.
