Essays On Henry Sidgwick:

Essays on Henry Sidgwick Bart Schultz,2002-05-02 In this volume a distinguished group of philosophers reassesses the full range of Sidgwick s work not simply his ethical theory but also his contributions as a historian of philosophy a political theorist and a reformer *Practical Ethics* Henry Sidgwick,1898 **Miscellaneous Essays and Addresses** Henry Sidgwick,Arthur Sidgwick,1904 **Essays on Ethics and Method** Henry Sidgwick,2000 Essays on Ethics and Method is a selection of the shorter writings of the great nineteenth century moral philosopher Henry Sidgwick Sidgwick s monumental work *The Methods of Ethics* is a classic of philosophy this new volume is a fascinating complement to it These essays develop further Sidgwick s ethical ideas respond to criticism of the *Methods* and discuss rival theories Other aspects of Sidgwick s thought are also illuminated in particular his interests in method verification and proof The essays show Sidgwick to be a forerunner of twentieth century analytical philosophy they illustrate his emphasis on common sense and ordinary language and exemplify not only his care clarity and precision but also the wit and humour that are not prominent in his longer works Marcus Singer provides a substantial editorial introduction to Sidgwick and his intellectual context The volume will be a rich resource for anyone interested in moral philosophy or the development of modern analytical philosophy Miscellaneous Essays and Addresses Arthur Sidgwick,Henry Sidgwick,Eleanor Mildred Sidgwick,2016-05-01 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Practical Ethics** Henry Sidgwick,2015-08-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be

preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Works of Henry Sidgwick* Henry Sidgwick, John Slater, 1996-03-01 Henry Sidgwick 1838 1900 English philosopher and educator is today most famous for his *Methods of Ethics* first published in 1874 and considered by C D Broad among others to be the greatest single work on ethics in English Besides philosophy Sidgwick wrote on education literature political theory the history of political institutions and psychical research He was also active in University politics economics and administration playing a large part in the founding of the first College for women Newnham College Cambridge Although *Methods of Ethics* is considered the most valuable of his writings reprinted here in its first and last editions his intellect is displayed in the full extent of his writings Professor Marshall said in reference to his discussions of the proper functions of government in *Principles of Political Economy* that it was by far the best thing of the kind in any language In all his writings Sidgwick is rigorous and cautious reluctant to advance ideas without making sure of his ground In common with Mill he was opposed to mystical and transcendental methods This comprehensive collection brings together the most definitive editions of all his books and includes the standard biography written by his wife as well as two volumes of previously uncollected essays and reviews [Miscellaneous Essays and Addresses](#) Henry Sidgwick, 1904 *Henry Sidgwick* Arthur Sidgwick, Eleanor Mildred Sidgwick, 1906

Miscellaneous Essays, 1870-1899 Henry Sidgwick, 1870 *Practical Ethics* Henry Sidgwick, 1996 **HENRY SIDGWICK AND THE RECEIVED LIBERAL-UTILITARIAN TRADITION.** WILLIAM ANDREW RITCHIE, 1960

National and International Right and Wrong, Two Essays, by Henry Sidgwick,... with a Preface by The... Viscount Bryce,... Henry Sidgwick, James Bryce, 1919 [Lectures on the Philosophy of Kant and Other Philosophical Lectures & Essays](#) Henry Sidgwick, James Ward, 2016-04-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **British liberal internationalism, 1880-1930** Casper Sylvest, 2013-07-19 This book explores the development character and legacy of the ideology of liberal internationalism in late nineteenth and early twentieth century Britain Liberal internationalism provided a powerful way of theorising and imagining international

relations and it dominated well informed political discourse at a time when Britain was the most powerful country in the world Its proponents focused on securing progress generating order and enacting justice in international affairs Liberal internationalism united a diverse group of intellectuals and public figures and it left a lasting legacy in the twentieth century This book elucidates the roots trajectory and diversity of liberal internationalism focusing in particular on three intellectual languages international law philosophy and history through which it was promulgated Finally it traces the impact of these ideas across the defining moment of the First World War The liberal internationalist vision of the late nineteenth century remained popular well into the twentieth century and forms an important backdrop to the development of the academic study of International Relations in Britain

The Oxford Handbook of the History of Ethics Roger Crisp,2013-01-31 This original and comprehensive volume explores the history of philosophical ethics in the western tradition from Homer until the present day Leading experts in the field use their expertise and specialist knowledge to illuminate key subjects and ideas in contemporary ethics and survey the history of the discipline

Encyclopedia of Ethics: P-W Lawrence C. Becker,Charlotte B. Becker,2001 A revised expanded and updated edition with contributions by 325 renowned authorities in the field of ethics All of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features

National and International Right and Wrong; Two Essays Henry Sidgwick,2025-05-22 National and International Right and Wrong two Essays by Henry Sidgwick originally published in 1919 delves into the intricate relationship between moral principles and political actions on both national and international levels Sidgwick a renowned philosopher rigorously examines the ethical considerations that should govern the conduct of states exploring concepts of justice obligation and the common good in the context of international relations The essays offer profound insights into the challenges of reconciling national interests with broader humanitarian concerns making them relevant for understanding contemporary debates on global ethics international law and the responsibilities of nation states Sidgwick s work provides a framework for analyzing the moral dimensions of political decision making and the pursuit of a more just and peaceful world order This edition makes accessible Sidgwick s significant contribution to political philosophy and international ethics offering valuable perspectives for scholars and anyone interested in the foundations of global governance This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc

Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Utilitarianism and Empire Bart Schultz,Georgios Varouxakis,2005-01-01 The classical utilitarian legacy of Jeremy Bentham J S Mill James Mill and Henry Sidgwick has often been charged with both theoretical and practical complicity in the growth of British imperialism and the emerging racialist discourse of the nineteenth century But there has been little scholarly work devoted to bringing together the conflicting interpretive perspectives on this legacy and its complex evolution with respect to orientalism and imperialism This volume with contributions by leading scholars in the field represents the first attempt to survey the full range of current scholarly controversy on how the classical utilitarians conceived of race and the part it played in their ethical and political programs particularly with respect to such issues as slavery and the governance of India The book both advances our understanding of the history of utilitarianism and imperialism and promotes the scholarly debate clarifying the major points at issue between those sympathetic to the utilitarian legacy and those critical of it

Essays of Oliver Goldsmith Oliver Goldsmith,1889

Eventually, you will certainly discover a extra experience and endowment by spending more cash. nevertheless when? get you undertake that you require to get those all needs with having significantly cash?
