Manifest Peter Joseph Fritz,2018-12-12 Freedom Made Manifest explicates Rahner s theology of freedom by elucidating its configuration and sources Much of its inquiry centers on the fundamental option each human person s eternal decision made paradoxically in time as a definitive answer to God s personally tailored call to salvation This idea stems from three principal sources Catholic conversations with transcendental idealist philosophy penitential theology and practice and Ignatian spirituality Rahner s unique redeployment of these sources inflects the fundamental option with theologies of concupiscence mercy and forgiveness especially as ecclesially mediated and devotion to Jesus Christ Awareness of these inflections can

show how Rahner's theology of freedom may assist in theological reflection on freedom's susceptibility to injury and trauma
