Naughty Bits Revised:

The Holy Grail on Film Kevin J. Harty, 2015-02-28 This collection of new essays is the first to study film depictions of the quest for the Holy Grail the holy Christian relic of legend supposedly used by Jesus at the Last Supper Scholars from a range of disciplines discuss American Australian and European films that offer fresh perspectives on this enduring myth of the Arthurian world and Western culture including *The Silver Chalice* 1954 *Monty Python and the Holy Grail* 1975 *Excalibur* 1981 *The Road Warrior* 1981 *Indiana Jones and the Last Crusade* 1989 *The Fisher King* 1991 *The Da Vinci Code* 2006 *The Waterboy* 1998 and *Rosencrantz and Guildenstern Are Undead* 2009

Something Completely Different Jeffrey S. Miller, 2000-01-01 Between Emma Peel and tire Ministry of Silly Walks British television had a significant impact on American popular culture in the 1960s and 1970s In *Something Completely Different* Jeffrey Miller offers the first comprehensive study of British programming on American television discussing why the American networks imported such series as *The Avengers* and *Monty Python's Flying Circus* how American audiences received these uniquely British shows and how the shows success reshaped American television Miller's lively analysis covers three genres spy shows costume dramas and sketch comedies In addition to his close readings of the series themselves Miller considers the networks packaging of the programs for American viewers and the influences that led to their acceptance including the American television industry's search for new advertising revenue and the creation of PBS

New York, 1995-07-10 *Mike Connolly and the Manly Art of Hollywood Gossip* Val Holley, 2003-06-26 In 1954 Mike Connolly the gay gossip columnist for the *Hollywood Reporter* from 1951 to 1966 was described by *Newsweek* as probably the most influential columnist inside the movie colony the one writer who gets the pick of trade items the industry rumors the policy and casting switches He was indeed one of the most talented and influential members of the Hollywood press of his time and his column for those who could read between the lines was a daily chronicle of gay goings on Fifty years later his cumulative output is a virtually untapped lode of gay Hollywood history Mike Connolly's life and work are the focus of this book It considers his formative years his pre World War II life at the University of Illinois and in Chicago and the ways in which the homosexual community in Hollywood lived lives both secretive and open in the forties fifties and sixties It also examines the literary merit power and newsworthiness of Connolly's *Rambling Reporter* column in the *Hollywood Reporter* and its significance as a chronicle of gay Hollywood life the previously unexplored role of Connolly's column in the Hollywood blacklist and how his anti Communist crusade was rooted in his earlier campaign to close down the brothels in his college town and how his life informed his column and his column shaped his life

[New York Magazine](#), 1995-07-10 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a

place and an idea **Monty Python's Flying Circus** Marcia Landy, 2005-03-29 A comprehensive study examining the history content and context of the legendary comedy series Monty Python's Flying Circus One of the most innovative comedic programs to air on television Monty Python's Flying Circus was a mix of the carnivalesque and the critical The show has become famous for eschewing many of the conventions of situation comedy the fully formed and coherent script narrative closure predictable characters and the decorum associated with presentation Its curious transatlantic popularity defied the assumption that comedy is regional and exclusive and the show's cult status still lives on in the United States and United Kingdom through reruns videos DVDs and continual reappearances by the show's now iconic stars Most written accounts of Monty Python's Flying Circus focus solely on members of the Pythons histories of the sketches or the development of other Monty Python projects leaving a dearth of scholarly and contextual analysis on the television show itself Marcia Landy's book is one of the rare studies available examining the Flying Circus within the context of its time analyzing the show's influence on 1960s and 1970s British television as well as British cultural influence on the show's legendary material Landy explores not only why the series complex form of comedy was important but also why it was so well received citing the Pythons amalgam of comedic material the unruly treatment of sexuality the mockery of religion and class and the critique of the medium of television The Flying Circus parodied both the lowbrow and the highbrow throwing many previously untouchable topics into the ring and here Landy deconstructs the impact of the show's risks and reception As informative as it is engaging and entertaining this book will appeal to film and media scholars popular culture enthusiasts and Monty Python fans alike

Contemporary Authors New Revision Series ,2001-08 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details *Fair Use and Free Inquiry* John Shelton Lawrence, Bernard Timberg, 1989 This volume provides thorough coverage of some troublesome and seldom clarified issues that affect scholars who deal with nonprint media When is it legitimate in teaching or publishing to quote a visual image from television film or printed graphics To quote the lines from a musical lyric Why has the long tradition of fair use for printed material which sanctions quoting without permission been so slow in its extension to other media How can scholars and publishers prudently behave in an area where media corporations are uncooperative or belligerent in dealing with requests to document arguments through the inclusion of copyrighted materials This book offers a forum where scholars lawyers archivists and federal administrators of copyright law express informed viewpoints about these issues **Monty Python Speaks!** David Morgan, 1999 The definitive account of the first thirty years of Monty Python in the words of the Pythons themselves John Cleese Terry Gilliam Eric Idle

Terry Jones and Michael Palin **Bulletin of the Copyright Society of the U.S.A.** ,1975 **Choice** ,2000
Publishing, Entertainment, Advertising and Allied Fields Law Quarterly ,1978 Rumi Franklin Lewis,2000 This is a definitive guide to the life and work of Jall al Din Rumi Franklin D Lewis s text considers not just the man but also his times his legacy and his role in a changing world Monty Python, Shakespeare and English Renaissance Drama Darl Larsen,2003-01-29 Despite all their differences Shakespeare and Monty Python are in fact related This work considers the differences and similarities between the two discussing Shakespeare s status as England s national poet and Python s similar elevation The New York Times Book Review ,1995-09 **DSCH Journal** ,2004 **Final Report on the Revision of Settlement of the Sirsá District in the Punjáb, 1879-83** J. Wilson,1884 *Sidelines* Michael Longley,2017 Michael Longley s prose centers on poetry This is so even when he is writing autobiographically or reflecting on war and memory or enthusing about music and painting Since Longley writes relatively little criticism readers of his poetry have lacked access to his aesthetic thinking *Sidelines* fills the gap by assembling prose that ranges from his often combative youthful poetry reviews to the lectures he gave as Ireland Professor of Poetry Among the poets Longley discusses are Homer Propertius Louis MacNeice Robert Graves James Wright Ian Hamilton Finlay and Ruth Stone *Sidelines* which includes interviews with Longley not only illuminates his own work Longley s perspectives on modern poetry are both distinctive and important He is also uniquely qualified to interpret the phenomenon of poetry from Northern Ireland *Tit-bits from All the Most Interesting Books, Periodicals and Contributors in the World* ,1882 final report on the revision of settlement of the sirsa district J. WILSON,1883
