

The online music revolution has brought the weakness of the law to the forefront. Anonymous theft, with little risk of criminal prosecution and practically no societal censure, tempts those who would never dream of shoplifting a CD from a music store. The RIAA, in a crack down on music piracy, has sued nearly 2500 individuals in the last year including middle school students, high school and college students as well as parents, some of whom honestly believed that they were doing nothing wrong. Many of these
