Hell Command L. F. MARTIN,1961 *Heaven's Glory; Hell's Terror. Or Two Treatises: the One Concerning the Glory of the Saints with Jesus Christ as a Spur to Duty: the Other of the Torments of the Damned, as a Preservative Against Security. By ... Christopher Love ..* Christopher Love,1721 [Hell's Broke Loose in Georgia](#) Scott Walker,2007-07-01 Darling I never wanted to go home as bad in my life as I do now and if they don't give me a furlow I am going any how Written in December 1862 by Private Wright Vinson in Tennessee to his wife Christiana in Georgia these lines go to the heart of why Scott Walker wrote this history of the Fifty seventh Georgia Infantry a unit of the famed Mercer's Brigade All but a few members of the Fifty seventh lived within a close radius of eighty miles from each other More than just an account of their military engagements this is a collective biography of a close knit group Relatives and neighbors served and died side by side in the Fifty seventh and Walker excels at showing how family ties friendships and other intimate dynamics played out in wartime settings Humane but not sentimental the history abounds in episodes of real feeling a starving soldier's theft of a pie another's open confession in a letter to his wife that he may desert a slave's travails as a camp orderly Drawing on memoirs and a trove of unpublished letters and diaries Walker follows the soldiers of the Fifty seventh as they push far into Unionist Kentucky starve at the siege of Vicksburg guard Union prisoners at the Andersonville stockade defend Atlanta from Sherman and more Hardened fighters who would wish hell on an incompetent superior but break down at the sight of a dying Yankee these are real people as rarely seen in other Civil War histories **A Treatise on Hell's Terror** Christopher Love,2012-11-26 This work is a treatise on one of the most hated doctrines in the Bible a treatise on hell Love uses the text But rather fear Him which is able to destroy both body and soul in hell Matthew 10 28 as a foundation for all his queries and answers to this most dreadful subject Jonathan Edwards 1703 1758 one of the greatest preachers to ever live kept a copy of Love's works on hell in his library due to the graphic description and important nature of Love's exposition The weighty subject matter is presented in such a lively style and is so carefully applied that readers cannot help but be edified whether they are Christians or not It is without a doubt one of the best works on hell ever written This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions **Heaven's Glory; Hell's Terror** Christopher Love,1738 **What the Hell's Wrong with America** Dr. Lune A. Teek,2021-10-19 What The Hell's Wrong With America is a book about well what the hell's wrong with America It is the author's contention that the one thing that causes more acrimonious intent thoughts and acts than anything anyone can point to is race Are you black or white What makes you black or white How did you become Hispanic How did you become an Arab even if you've never been to Saudi Arabia The answers may not be what you think According to the author this is due to the lack of the average man and woman's understanding of the truth about what race is and what race is not The author contends that as long as people keep referring to themselves as what they are referring to themselves as this country as well as the world will never

experience the peace and prosperity they profess to want The author states Everyone wants to have a Conversation about race but no one wants to consider that both sides will be starting and engaging in dialogue with false premises In short lies In this book you will be is asked powerful common sense questions about race that in the author s words you have never been asked before The author goes on to examine effective problem solving the importance of having not just knowledge but correct knowledge what evil is as well as the different forms that it manifests itself in and how evil relates to the context of race as we have been taught to perceive it the fictitious cultures both black and white people have created in an effort to solidify their concepts of these void constructs of black and white and a lot more The author started this book in 2015 at the height of civil unrest following several incidents of unarmed black men who were killed by police In Chapter Five the book explains how not to be killed during or at the end of a police interaction There s even a LGBTQ section dealing with the author s views and insights on gay marriage While the author states that the instructions given in this chapter may not be feasible for everyone the chapter is a must read And even though the author states that there will be secrets left untold it will be impossible for you to leave this book without a commitment to reexamine everything you have been taught Starting with race This book is a must read if you have been seeking insights on the truth about an issue that has in one way or another touched us all Is America divided Yes But it doesn t have to be Read this book to understand how we got that way and what we can do to stop being that way This book goes a long way to help one understand What The Hell s Wrong With America And that s a good thing
