**New Cyclopaedia of Prose Illustrations**, 1870      **IDEALISM: Perfect Idealism Defined Within The Already But Not Yet** donald perry, 2018-11-25 This commentary on the book of Revelation is from a Reformed Orthodox Idealistic and Futuristic point of view Previously I have wrestled with different Preterism and Redirectionism views However once I fully understood salvation from the Reformed perspective the Lord saw fit to give me better understanding of the book of Revelation and Eschatology Previously I was under the belief of OSAS Charles Stanley heresy Concerning the eschatological perspective We know that the Lord promised the seven churches in Revelation that He was coming to them and that the faithful churches would remain Thus His word was fulfilled Yet the resurrection change of 1 Cor 15 for the living did not happen as far as they could tell This means that the second coming is now in the present idealistically while we wait Therefore we sanctify ourselves and the church for when He shall appear When He comes He will make an end of sin our sin nature forever and pain and death will end      *Genesis: Your Journey Home, 2Nd Edition* Terry L. Newbegin, 2011-04-21 *Genesis Your Journey Home* is a groundbreaking book that goes far beyond the usual levels of biblical interpretations and the ideas taught by religion that are difficult to understand It bypasses word definition root studies historical explanations and the ideas taught by religion that are difficult to understand but are important This book examines the first twenty five chapters verse by verse exploring and revealing the deeper metaphysical beyond the literal meaning of the text Most people know that there are multiple levels of truth contained within the Bible but until now none have brought forth the ultimate Truth hidden within the mundane semi historical writings Rather than creating new doctrines this book gently peels back ALL levels of dogmatic views to reveal the true core essence of God humanity and the nature of reality Deep within the ancient biblical text is found the true story record of creation the reason for our very existence and the history of All That IS This book is for those that are searching for authenticity purpose and a sense that truth lies somewhere beyond religious teachings but who are reluctant to discard the inherent value of scripture This book brings comfort personal empowerment a new understanding of God and fosters a renewed sense of responsibility for life It is a book whose time has come at last as it brings humanity to a deeper understanding of God and a realization of their ultimate purpose      **The Catechism Explained** Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface      **Is the Bible the Word of God?** C. Stephen

Layman,2025-11-21 Are there any good reasons to regard the Bible as authoritative as divinely inspired and or as a revelation from God This book provides a thoughtful discussion of the difficulties in establishing that the Bible is a divinely authorized collection of writings Recent philosophical contributions by Alvin Plantinga Richard Swinburne William Abraham and Edwin Curley receive special attention Do problematic moral passages in the Bible undermine any attempt to show that it is a revelation from God For example what about the divine command to exterminate the Canaanites Or the divine command that Abraham sacrifice his son Isaac In addition what about apparent factual errors in the Bible Can the Bible be divinely authorized if it contains errors A case for the authority of the Bible is proposed and defended while well known difficulties are tackled head on Genesis Terry L.
