Foreword by **Dennis Sparks**

# Evaluating Professional Development

**Thomas Griffiths**

## **Evaluating Professional Development:**

*Evaluating Professional Development* Thomas R. Guskey,2000 Explains how to better evaluate professional development in order to ensure that it increases student learning providing questions for accurate measurement of professional development and showing how to demonstrate results and accountability *Assessing Impact* Joellen Killion,2017-11-08 Updated to reflect current accountability mandates this guide takes you step by step through the rigors of producing an effective in depth results based evaluation to measure effectiveness and retain stakeholder support **Evaluating Professional Development** Thomas R. Guskey,2000 How do we determine the effects and effectiveness of activities designed to enhance the professional knowledge and skills of educators so that they might improve the learning of students Thomas R Guskey explores the processes and procedures involved in evaluating professional development from the very simple to the very complex at five increasing levels of sophistication Participants reactions to professional development How much participants learn Evaluating organizational support and change How participants use their new knowledge and skills Improvement in student learning complete with sample evaluation forms checklists and helpful hints and tips **Strategies for Designing, Implementing, and Evaluating Professional Development** Sue Beers,2007 Whether you re already an expert staff developer or you re taking on this role for the first time here s a reliable toolbox that helps you plan implement and evaluate professional development from stand alone workshops to comprehensive systemwide programs The binder guides you through the process of identifying the need for professional development determining the components to include in your plan and selecting the best tools to accomplish your goals More than 90 tools are included in the binder to help you Create a vision and definition of professional development for your learning community Establish a common understanding of your professional development program s content and results Solve time logistics and sequencing issues Design and implement professional development tasks and activities that align to school and district goals Measure your progress and reflect on individual and group improvement Evaluate the impact of professional development and sharing your success Because the needs of your school or district are unique this is the ideal tool for developing a customized plan that leads to a successful and effective professional development program Publisher *Assessing Impact* Joellen Killion,2008 Discusses planning and performing staff evaluations and evaluating staff development programs in order to improve staff training and overall student achievement *Evaluating Professional Learning* Thomas R. Guskey,2025-11-19 Transform your professional learning programs with proven evaluation strategies that drive real results Professional learning is more important than ever yet many programs fail to deliver meaningful improvements in teaching practice or student outcomes This comprehensive guide addresses the urgent need for effective evaluation methods that can transform how educators approach professional learning Drawing from 25 years of field feedback and the latest research this updated edition provides practical frameworks for assessing professional learning across five critical levels participant reactions participant learning organizational support

and change implementation and improved student outcomes Building on the foundation that made the first edition a landmark resource cited in over 7 000 scholarly articles this second edition offers educators and school leaders the tools they need to design implement and evaluate professional learning that actually works Key features include Streamlined practical guidance that focuses on utility and ease of implementation rather than academic theory An updated research base reflecting the latest findings in professional learning effectiveness A five level evaluation framework that connects professional learning directly to student learning outcomes Guidance for using AI tools to gather evaluation data and meaningfully analyze results Real world examples and case studies demonstrating successful evaluation strategies across diverse educational contexts Reflection questions and resources at the end of each chapter to support immediate application Whether you re a teacher leader school leader or professional learning coordinator this book will help you move beyond professional learning that merely satisfies participants to programs that transform educational practice and demonstrably improve student learning

*Evaluating Professional Development* ,1998 *A Model for Assessing Professional Development* Jo Ann P. Thrush,1996

*An Examination of the Impact of a Writing Assessment Professional Development Experience in Two Elementary Schools* Gary D. Amoroso,2004 *New Perspectives on Evaluating Professional Development* Thomas R. Guskey,1999
