

## **I. The Purpose of Collection Development Guidelines**

The Yu Pace School Library Center Collection Development Guidelines are intended to provide as a foundation for the development and enhancement of the library's resources. Book, audiovisual, computer-based, and other types of study materials must meet certain criteria, which are outlined in the statement of principles.

In addition to informing the Yu Pace School Library Center team on the goals of the Collection Development Program, this compilation of policies will allow them in contextualizing the programs. It will help the faculty to understand the goals and objectives of the Yu Pace School Library Center and to collaborate in the development of reliable and diverse collections, among other things. It will give the school administrations with a clear plan of the existing Yu Pace School Library Center acquisitions policies, allowing the library's role in the school's campus master planning to be clearly defined in the future. It provides valuable information to other library workers whose work involves collection management.

The evolution of new libraries are the current trends that Yu Pace School Library Center will soon consider. As a result, school librarians and other library professionals in the library team must be accountable for changes in the formats and statements that are made in accordance with School policy, adjustments within formats and provision of information, and characteristics of the school populations. The Collection Development Guidelines will be reviewed on a regular basis, including participation from the school staffs as necessary.

## **II. Objectives of the Yu Pace School Library Center**

- A. Assistance with the collection development process
- B. To provide a well-organized and widely accessible collection of print and non-print resources, as well as associated equipment, to suit the needs of community students, staff, and faculty members.
- C. To meet the needs of students in conjunction with the school's curriculum, both in terms of science research and in terms of general education.
- D. To train library patrons on how to utilize the library's resources.
