Gun Proud:

Gun Proud Lewis B. Patten, 1994 **Targeted** Noah S. Schwartz, 2025-09-16 Guns may be as American as apple pie but what does it mean to own a gun north of the 49th parallel While policy battles over gun control are often associated with American politics debates about gun control are raging in Canada prompting Canadian gun owners to transition from hobbyists to advocates In Targeted political scientist Noah S Schwartz provides an insider s perspective on gun culture in Canada unpacking the differences between Canadian and American gun activism He explores how Canadians interpret the rising pro gun movement in the country its self perception its goals and the strategies and funding sources that sustain it Arguing that a distinct pro gun culture is emerging in Canada Targeted highlights how the demands of the movement are closely linked to significant divisions in Canadian politics such as the rural urban divide and western alienation Rather than viewing gun ownership as an unassailable constitutional right the book reveals how Canadian gun owners frame their demands as a call for fair treatment from their leaders Justice! Dana Fuller Ross, 1999-10-05 The triumphant conclusion to the epic saga of an American pioneer dynasty They are men and women of bold vision and boundless courage who dared to follow their dreams across an untamed country Against incredible odds they would risk everything for a chance to build a glorious future leaving their mark on a young America whose great destiny would be forever linked with their own To the Holts the idea of America is one worth fighting for So when Clay Holt learns that a French diplomat once aligned with Napoleon and linked to the death of famed explorer is on western soil he and Lieutenant John Markham go undercover to find him To keep America whole Clay and John will track their elusive quarry up to St Louis and then west through the treacherous snowy Rockies Meanwhile the other Holts face deadly challenges of their own Jeff as a prisoner of the Tlingit Indians in the frozen north Melissa in a new venture that sparks a violent rivalry and Ned caught in a life and death struggle on the high seas Separated by miles and seemingly insurmountable obstacles the Holts nonetheless battle together in spirit united in their hopes for a burgeoning young nation and a promise they have sworn to keep **Semiautomatic Assault Weapons Act of 1989** United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1989 Color of Word Mikey, 2015-04-08 This book can be considered poetic educational and humorous It can also be defined as seeing life on each side of the coin It describes reality in the modern world we live in and the bad choices made in this natural life of human nature It combines mankind from various types and recognizes who we are and how to heal the world and make it a better place It also educates us of our differences to help us understand how important it is to learn to respect life and love one another This book is a tool of self lubrication as it can boost our morale and change our perspective on how we live our daily lives It fits in any situation and in all occasions It stimulates the hearts desire to know more By reading between the lines this book will satisfy the mind and calm the soul and can help you discover the who in you **Outpost!** Dana Fuller Ross, 1993-06-01 They crossed the vast frontier in pursuit of a dream men and women whose courage and daring shaped the

future of the great young nation and forged an unforgettable legacy passion and adventure in a brave new land they called home To the brothers Clay and Jefferson Holt the western territory is a land of breathtaking beauty and unlimited possibility But it is also a place of lawlessness and sudden brutal violence Sworn to bring a longtime enemy to justice Clay heads north to Canada and a dangerous showdown while in far off North Carolina Jeff is stocked by a ruthless killer determined to destroy his family As war cries fill the air the Holts must fight once more for their home their nation and the magnificent dynasty that will live forever in the pages of history
