Gun Truth:

The Truth About Firearms and Concealed Carry Daniel R. Engel, 2014-04 Due to so much misinformation throughout America regarding firearms I got tired of seeing innocent people die each and every day at the hands of criminals I've come to take this poor information and loss of innocent lives in this great country very personally and I decided to put together a book that very thoroughly explains the way firearms and ammunition work and why they do what they do With extensive information I hope to further your knowledge and teach you many things to help save your life one day This book is intended for those with absolutely no experience in firearms and also for those professionals who carry a gun every day for a living It covers certain specific information to help every household in America to become familiar with firearms including the most commonly owned firearms so that nobody will be left owning a gun they cannot or should not use and prevent as many injuries as possible Also it assures that you will learn considerable information and be much more prepared to maintain your life in addition to maintaining FREE America **Truth**, 1927 **The Gospel Game** Allen G., 2011 As violence engulfs the streets of Asbury Park over the highly coveted G pill Sincere Wiggles also known as Gab is sucked into a brutal war with the dark and eerie Santana head of the Renegades a criminal organization made up of ruthless outlaws Gab's clash with Santana escalates to new heights as he comes face to face with Ambassador Truth an unknown adversary of Santana The face off evolves into an epic battle of good versus evil as Gab is forced to confront the truth about himself and the mysterious G pill that he and so many others have been trafficking on the streets of his hometown Bursting with imagination and rich language The Gospel Game is full of suspenseful twists and heart stopping action that will leave you breathless Gab's journey of self discovery provides both a chilling glimpse of society at its worst and an uplifting depiction of the redemptive power of truth

ROGERS, 2020-10-12 Guns Should the people of a civilized society have guns Why exactly do Americans need guns Should they have some kinds of guns but not other kinds What is a semiautomatic pistol or rifle How do they work What is the difference between a gun that is semiautomatic and one that isn't Are semiautomatic guns weapons of war What does the second amendment say What does it mean Should it be repealed What is the truth about gun violence in America Is the media being honest with us about gun violence Do we have gun control Do we need more Is the ultimate aim of gun control the elimination of all guns from society Historically what has happened in other societies when they allowed their guns to be registered and then confiscated Should people be allowed to carry guns Do we currently have adequate background checks Are universal background checks a good idea What are red flags laws Can they be abused Are they constitutional Dr Glenn Rogers answers all these questions and more in this easy to read brief but thorough study of guns the second amendment gun violence and gun control **My Covenant** James Robert Sabolick, 2013 Most Christians have it all mixed up about Jesus Christ and the church out of Peter's

rock For James Robert Sabolick the truth and the way started quite inconspicuously It all started at Fort Pitt Bridge in 1976 Since then his life had been nothing but an unending shredding of sinful ways revelations through dreams and messages out of distinct events in his life and family members There were those countless times he had drowned in alcohol and attempted to end his life while in the US Navy A marriage brought forth the death of a son a few days after birth Yet not even the end of the marriage and life on the streets of Florida could sway his growing faith which started in 1976 all the way to Mount Olives to bury his covenant a Hebrew bullet on the way to Mount Tsijon Zion *Behind the Closed Doors* Walter N

Parelius,2023-03-17 Behind the Closed Doors reveals what has always been said to be a conspiracy but now I reveal documented truth of what is being done behind those doors This very informative information brings together prophecy in the Bible I do not claim to be a prophet but a voice of events taking place Some of which are on a timeline to be accomplished by 2030 It also helps to bring understanding of many decisions be made by people in very high positions It also includes events that impact the 2030 timeline that allows the precious time for the publishing of this book The impacts you will discover will have major effects on future generations and the course of the history of the world It also brings understanding and perspective to many of the decisions people have been holding off Please read all the way through with an open mind and absorb the contents beneficial to you and your families It is in God s timing for this to be known and I will be praying for you all
