Elijah Task:

The Elijah Task John Loren Sandford, 2015-05-05 It illumines the Bible like a searchlight pointing out the mysteries of God There still is much confusion and misuse of the office and the responsibilities of the prophet and the intercessor in the Christian arena John and Paula Sandford explain how prophets are called and trained With a great passion and urgency they challenge all intercessors to realize and understand their vital role in the world today and how closely they must work with the prophets John and Paula Sandford clearly explain What it means to be called and trained as a prophet or intercessor How to understand dreams and visions and hear directly from God Why it is important for the body to work in unity This book is filled with spiritual discoveries that will effect dynamic changes in every reader About the Authors John and Paula Sandford have applied the principles of this book with great success in their parenting of their children grandchildren and great grandchildren The founders of Elijah House the Sandfords are well known around the world for their contributions of teaching counseling writing and leading in the fields of family living inner healing prophecy social concerns human behavior and theology They have written thirteen books

Rewriting Biblical History Jeremy Corley, Harm van Grol, 2011-05-26 Old Testament texts frequently offer a theological view of history This is very evident in the Books of Chronicles and in the final section of Ben Sira Ecclesiasticus Today there is renewed interest in both these works as significant theological and cultural Jewish documents from the centuries before Jesus Both Chronicles and Ben Sira aim to recreate a national identity centered on temple piety Some chapters in this volume consider the portrayal of Israelite kings like David Hezekiah and Josiah while others deal with prophets like Samuel and Elijah

Exploring Heavenly Places - Volume 2 - Revealing of the Sons of God Paul Cox, Rob Gross, 2017-09-20 For centuries millions of believers have suffered as the unseen forces of wickedness in the heavenly realms have waged war against the church In this book the authors will unpack the biblical basis for the fallen sons of God and how these little gods have infiltrated society and the family of God through covenant breaking sex child sacrifice and star worship Paul L Cox and Rob Gross provide a biblical framework for understanding the revelation of the sons of God This revelation is directly tied to the church becoming mature as sons and daughters and being able to access the divine resources set aside for us in eternity past to fulfill the Great Commission This volume will also share insight about the spirit of Elijah and how this end time move of God will bring healing to the land by turning the hearts of the fathers back to the children and vice versa

Restoration James Scott, 2021-10-01 The restoration of Israel is one of those subjects which although crucial to our understanding of early Judaism has not received the focused attention it needs and deserves These seminal essays written by an international group of eminent scholars introduce the reader to the subject of restoration in a roughly chronological approach beginning with the formative period the Old Testament followed by the Greco Roman period

formative Judaism and early Christianity These essays endeavor not merely to survey what is currently known about the subject from various vantage points but rather to extend what is knowable in each case This volume will stimulate much interest in the subject of restoration and will shape the future course of the scholarly discussion **The Jewish World Around the New Testament** Richard Bauckham,2010-07 A leading biblical scholar shows that the New Testament texts cannot be understood without careful attention to their Judaic and Second Temple roots Luke's Literary Creativity Mogens Müller,Jesper Tang Nielsen,2016-08-11 A combination of two classic discussions in New Testament scholarship the contributions in this volume shed light on the still unsolved synoptic problem by using the well coined concept of rewriting to describe the relationship between the synoptic gospels The contributions work with the hypothesis that the synoptic tradition can be conceived of as a process of rewriting Matthew rewrote Mark and Luke rewrote Mark and Matthew This approach to the synoptic problem dismantles the grounds for the otherwise widely accepted two source theory If it can be shown that Luke knew Matthew s Gospel the Q hypothesis is superfluous One group of articles focuses on the general question of Luke s literary relation to the other gospels In these essays the concept of rewriting describes Luke s use of his sources The second part of the collection examines a number of texts in order to shown how Luke rewrites specific passages In the final section the contributions concern Luke s relation to Roman authorities It is shown that Luke s literary creativity is not limited to his predecessors in the gospel tradition Rewriting is his literary strategy *The Loss and Restoration of Fatherhood* William J. Patterson,2020-02-29 *The Loss and Restoration of Fatherhood* by William J Patterson is a compelling exploration of the vital role of fatherhood in both individual lives and society at large Drawing from biblical teachings historical examples and contemporary societal observations Patterson delves into the profound impact that the loss of fatherhood has on families communities and nations The book examines how the absence or failure of fathers leads to deep seated issues such as identity crises moral decay and societal fragmentation Patterson provides a roadmap for the restoration of fatherhood emphasizing the importance of reestablishing the father s role according to God s design Through insightful analysis and practical guidance the book offers hope for healing and restoration showing how fathers can be restored to their rightful place in the family and how this restoration can lead to the renewal of society as a whole *The Loss and Restoration of Fatherhood* is an essential read for anyone concerned with the health of families the church and society offering a redemptive perspective grounded in biblical truth The loss of fatherhood is a profound hurt in western society and the loss is vastly undervalued by many This book seeks to understand some of the complexities of this problem but also to chart a way to change things for parents and church leaders For that to happen the hearts of the fathers have to turn to their children and the hearts of the children to their fathers This is necessary to avoid the judgement of God and to prepare the way for his blessing of nations That is the call of God on this generation **God Revealing His Truth** Walter Albion Squires,1921

H. Oort. 1888. Prepared by Dr. I. Hooykaas Henricus Oort, Isaac Hooykaas, 1888 **The Bible for Young People: From David to Josiah** Henricus Oort, 1877 *The Old Testament for Learners* Henricus Oort, Isaac Hooykaas, 1900 *The Bible for Learners* Henricus Oort, Isaac Hooykaas, A. Kuenen, 1878 **Elijah Among Us** John Loren Sandford, 2002-06-01 Twenty five years after the release of his ground breaking book *The Elijah Task* co authored with his wife Paula a sequel comes from the powerful pen of John Sandford In *Elijah Among Us* he outlines a biblically rooted discussion of prophetic history and functioning both how to instruct prophets and commission their office and how to inform the church about prophetic ministry Sandford wrote this follow up book because he sees a strong and even dangerous overemphasis in the church on the giving of personal words which is only one role of the prophetic office The first section of this book develops a history of the prophetic office how the office metamorphosed from one of warning into proclaiming God's gentle and merciful side and becoming burden bearers Second Sandford sets forth the working functions of prophets explaining how they serve in twelve major roles including bringing blessings healing warning of impending judgment giving protection from tragedies and offering direction guidance or confirmation Readers will gain crucial knowledge of a widely misunderstood topic helping them be discerning in these strategic end times Authoritative and compelling *Elijah Among Us* is a timely and vital work for the Body of Christ *The Crozer Quarterly*, 1928 *The Bible for young people, by H. Oort and I. Hooykaas, with the assistance of A. Kuenen* Henricus Oort, 1877 *Notes on the Scripture Lessons for ...*, 1880 *The Bible for Young People* Henricus Oort, 1877 **The Gospel of St. Matthew** Alexander Maclaren, 1892
