Preacher's Boy Katherine Paterson,1999-08-23 It s 1899 in a small town in Vermont and the turn of the century is coming fast According to certain members of the church where Robbie s father is the preacher the end of the century might even mean the end of the world But Robbie has more pressing worries He s sure his father loves his simple minded brother Elliot better than him and he can no longer endure the tiresome restrictions of Christianity He decides to leave the fold and become an apeist and just in case the church whisperers are right resolves to live life to the fullest His high spirited and often hot headed behavior does nothing to improve his father s opinion of him nor does it improve the congregation s flagging opinion of his father Not until the consequences of his actions hurt others does Robbie put a stop to the snowballing chain of events he has set off and begin to realize his father might love him despite his wayward tendencies Katherine Paterson is the recipient of the 2013 Laura Ingalls Wilder Award

The Interpreter Brooke Robinson,2023-09-19 In this stellar debut thriller from playwright Robinson London based interpreter Revelle Lee considers the consequences of sabotaging a murder investigation Publishers Weekly starred review With the taut psychological drama of *The Silent Patient* and the propulsive storytelling of *The Club* a chilling debut thriller about a London based interpreter with dark secrets and the enemy determined to take her down Innocent or guilty it all hinges on a single word Thanks to a nomadic childhood Revelle Lee is fluent in ten languages which she puts to use at crime scenes and in courtrooms across London Being a court interpreter is a stressful job one that makes her privy to the most personal and often dark details of others lives In the meantime she s close to adopting a six year old boy named Elliot from foster care Revelle is determined to be the mother she never had and to make up for a terrible mistake she made years ago Though the sweet loving little boy is learning to trust her she s begun receiving disturbing messages which she suspects are from his birth family When one of her cases involves a murder victim she knew slightly Revelle fears she s seeing a miscarriage of justice play out Putting both the adoption and her career at risk she deliberately mistranslates a Polish man s alibi to put his accused friend behind bars even though he insists he s innocent Revelle thinks she s gotten away with it free and clear But someone seems to know what she s done and about her long ago error and its terrible consequences And they intend to destroy Revelle s life piece by piece
