## **Finding God:**

**Finding God in the Bible** Ken Wilson, 2005-05-01 Have you ever wanted to share the Good News with a friend but couldn't find the right words or weren't sure which tract to use More than a tract Finding God in the Bible is a short Bible study that explains the plan of salvation and invites people to a personal relationship with Jesus Let them discover for themselves what God says in His Word through gentle guidance given by Ken Wilson *Finding God in the Universe* Guy Consolmagno, 2022-04-19 How does a scientist find God in the universe Finding God in the Universe is the personal reflection of a Jesuit brother and astronomer the director of the Vatican Observatory Br Guy Consolmagno SJ insists that science is more than observing the universe it's learning how to pay attention how to concentrate on one aspect while setting aside at least momentarily all the other interesting aspects that can distract us from a deeper knowledge of the universe or of God In his telling joy is our compass truth is our goal and imagination weaves the story where we situate the joy that leads us to truth Most importantly both science and theology are done within a community of fellow seekers where we share the stories that teach us how to explore and with whom we can try to make sense of what we think we have found In the My Theology series the world's leading Christian thinkers explain some of the principal tenets of their theological beliefs in concise pocket sized books Finding God Jim Hall, 2019-12-12 Based on the song Looking for Love in All the Wrong Places Finding God Looking for Him in All the Right Places helps people change course and choose a more satisfying fulfilling and meaningful path Author Jim Hall discusses how attaining happiness can't be found through such things as work status video games cell phones and other superficial means but rather through the Bible and God Finding God is about making decisions and committing to them language being able to articulate what our words mean modern culture including its fascination with technology you and the need for more peace meaning and satisfaction in your life consciousness and the role God plays in it and Jesus of Nazareth the most influential person ever born In Finding God Hall offers a look at God Jesus the Bible and the reasons why you need to bring them actively into your life **Finding God** Rick Richardson, 2002-08-23 People look for God in many different places relationships nature goodness and even pain In this study and discussion guide Rick Richardson encourages you to find your way to God A Willow Creek Resource Seeking & Finding God (B) Dave Hunt, 2021-04-02 It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low carb food item yet the belief of so many particularly in the area of religion has no rational or factual foundation With well researched arguments and compelling proof this book demonstrates that the issue of where one will spend eternity is not a matter of preference like joining the Elks instead of the Lions In fact there is overwhelming evidence that we are eternal beings who will spend eternity somewhere But where will it be And how can we know There is no more important question to be faced and answered **Finding God in All Things** Brian Grogan, 2021-04-01 Fr Brian Grogan has written an extraordinary book for ordinary people In simple clear language he

shows how God is involved in all the details of our lives God does not blush easily at our faults he writes In failure or in success every individual remains uniquely important to God He waits for us searches for us and cares for us always drawing us to the person of Jesus who offers himself as our constant companion on our pilgrim way and who helps us to shape our world by making wise decisions **Finding God** Larry Crabb,2010-06-01 Writing out of wrenching personal experience Dr Crabb helps uncover the path that will bring us closer to God Dr Charles Stanley founder In Touch Ministries In today s psychological culture we have become a people more concerned with solving our problems than finding God Suffer low self esteem Get counseling Unfulfilled in life Join a recovery group But solving problems is not the point argues Dr Larry Crabb In fact whenever we place a higher priority on solving our problems than on pursuing God we are being immoral Dr Crabb demonstrates that our deepest problem and worst sin is doubting God When we doubt God s goodness when we think that god cannot be trusted with the things that matter most we will quietly but with tight lipped resolve take over responsibility for our own well being with disastrous results In his most compelling book since Inside Out Dr Crabb upsets the cozy Christianity of the modern believer He reveals anew God s top priority not our comfort and gratification but His glory

*Finding God* Dwight L. Moody,1958-01-01 D L Moody gives fourteen sermons on the Way of Salvation including such titles as God Is Love and Seek the Lord **Finding God Again and Again** John J. Spitzer M.D.,2021-05-28 With two young children and a loving wife the stakes were high when John J Spitzer found out his testicular cancer had returned after thirteen years The relapse forced him to confront his mortality and a second relapse drove the point home The setbacks also gave him a great opportunity to become one with God In this book Spitzer looks back at how it took over twenty years of life experiences to realize that he had to feel God in his heart again and not just think of God He had to feel Jesus and His teachings if he wanted to be like Him While he started this book wanting to pass something on to his children if he died he continued it after realizing he d live In it he describes his spiritual development what it was like to confront death and how his relationship with God has grown deeper over time Join the author on a journey of self discovery that highlights God s unconditional love and peace and how to find God again and again **Finding God's Will** Colin Hamer,2010-08-09 Can anything be more important in this life than knowing God s will and doing it Nonetheless large numbers of Christians are confused about this very thing Why is this You believe your Bible You accept that it is the final authority on all matters pertaining to your life of faith God s voice is certainly and surely there on every page But is God s voice also heard elsewhere You fail to get into university despite several attempts is God telling you something You are invited to a meeting and the preacher speaks movingly about being a missionary something that has been on your mind is God speaking to you Is guidance to be found in miraculous spiritual gifts Can we find direction for our life decisions in the signs and wonders of the apostolic age a tongue or prophecy just for us This book gives Scriptural answers to all these questions *Finding God in Unexpected Places* Philip Yancey,2005-03-15 The traces of God can be found in the most unexpected places an Atlanta slum a

pod of whales off the coast of Alaska the prisons of Peru and Chile the plays of Shakespeare a health club in Chicago yet many Christians have not only missed seeing God they've overlooked opportunities to make him visible to those most in need of hope In this enlightening book author Philip Yancey serves as an insightful tour guide for those willing to look beyond the obvious pointing out glimpses of the eternal where few might think to look Whether finding God among the newspaper headlines within the church or on the job Yancey delves deeply into the commonplace and surfaces with rich spiritual insight Finding God in Unexpected Places takes readers from Ground Zero to the Horn of Africa and each stop along the way reveals footprints of God touches of his truth and grace that prompt readers to search deeper within their own lives for glimpses of transcendence

*Finding God's Life for My Will* Mike Donehey, 2019-08-06 ECPA BESTSELLER The lead singer songwriter and guitarist for award-winning contemporary Christian band Tenth Avenue North shows readers that by seeking God first and focusing on serving Him we can live daily in His will Perhaps God isn't giving me the plan because He wants to be the plan This was the aha moment for Mike Donehey after years of wrestling with his obsession to know God's specific plans for his life He came to the realization that waiting for absolute certainty from God before making decisions may seem uberspiritual but it can lead to a life of intense stress paralyzing fear and crushing regret just the opposite of the freedom granted to those living a Christ-filled life This is my story how I gave up begging to know God's will and began to ask His life to come and change my will With his signature humor and relentless hunger for God Mike will show you that discovering the Father's purpose and plan for our lives is not the shell game that we all too often make it out to be If you're unsure what to do next take heart and accept the ultimate invitation learn to see God as the plan not simply the formula to the plan
