Bethlem Hospital popularly known as Bedlam is a unique institution Now seven hundred and fifty years old it has been continuously involved in the care of the mentally ill in London since at least the 1400s As such it has a strong claim to be the oldest foundation in Europe with an unbroken history of sheltering and treating the mentally disturbed During this time Bethlem has transcended locality to become not only a national and international institution but in many ways a cultural and literary myth The History of Bethlem is a scholarly history of this key establishment by distinguished authors including Asa Briggs and Roy Porter Based upon extensive research of the hospital's archives the book looks at Bethlem's role within the caring institutions of London and Britain and provides a long overdue re-evaluation of its place in the history of psychiatry
