[In Search of the Afropolitan](#) Eva Rask Knudsen, Ulla Rahbek, 2016-07-18 *In Search of the Afropolitan* explores human encounters and moments that speak to the challenges of being a 21st century African of the world Against the background of an engaging evaluation of the heated debate on Afropolitanism and what constitutes an Afropolitan the authors turn to literature and its intrinsic capacity for unfolding the human figure of the African as inherently complex and multidimensional Through a detailed probing of the Afropolitan in literary narratives the book enters into conversations about self understanding and the signification of Africa in the contexts of global mobility The book conceives of Afropolitanism as a flexible space of inquiry that curbs the inclination to set the definition of the ism in stone Instead it attempts to distil through close up character

analyses a multifarious sense of what it means to be Afropolitan in the contemporary moment In that sense the encounters we come across in the literary narratives produce unexpected ontological negotiations on what it means to be African in the world today As a special feature of In Search of the Afropolitan the authors conversations with prominent writers thinkers and critics provide a lively context for the ongoing debate on Afropolitanism and the Afropolitan [From A Field Guide to](#)

[Getting Lost](#) Rebecca Solnit,2010 **The Sustainable Organization** Peter Wollmann,Doris Pemler,Mersida Ndrevataj,2025-07-06 This book explores topics related to sustainability including the 17 UN Sustainable Development Goals SDGs and accountability in various activities It reflects the complex and diverse landscape of sustainability efforts in organizations and the pursuit of SDGs It emphasizes that achieving global change and making the world a better place isn't a straightforward linear process but rather a conglomerate of diverse and interconnected journeys driven by countless parties with individual interests and systemic conditions Recognizing the impossibility of creating a comprehensive Big Picture covering all facets the authors ambition is to contribute to the discussion on sustainability and SDG coverage through inspiring use cases The book illustrates how the Three Pillar Model leads to sustainability and SDG coverage It emphasizes the importance of a strong Sustainable Purpose mindset transformation in organizations and cross silo cooperation for success The book features contributions from various authors and institutions from all over the world including former leaders of UN agencies NGOs enterprises venture capital funds and angel investor communities consultancies universities historians system theorists philosophers and linguists The chapters also provide diverse perspectives and historical cases to facilitate learning and exploration in this vast field [Reading an Unknown Organization](#) Peter Wollmann,Lukas

Stricker,Doris Pemler,2024-10-22 This book focuses on Organizational Intelligence and its connection to the Three Pillar Model a framework developed by a global community of over 60 professionals from various sectors and published by Springer Nature The model centers on three vital pillars for navigating the volatile uncertain complex and ambiguous VUCA world of organizational design and leadership Sustainable Purpose Travelling Organization and Connectivity At its core the book features interviews with executive leaders including those in the C Suite who have recently assumed new roles in new organizations or have done so in their careers The interviews are diverse and anonymized to encourage candid responses The book explores how these leaders quickly gain a comprehensive understanding of their organizations with a focus on coping with change transformation sustainability and UN SDG coverage Offering real case study based guidance the book does not seek to provide a one size fits all methodology but instead encourages readers to tailor its insights to their unique circumstances It is a valuable resource for mentoring and coaching purposes [Borderlands](#) Mark Brickman,2018-06-21 Change carries us into uncharted territory We can often feel adrift in such borderlands Scripture however offers rich resources for navigating these times The biblical narrative of the great fifty days from Easter to Pentecost forms a map for the adventure of spiritual growth Tracking the tumultuous and deeply human journey of the disciples through these days

Borderlands is for all who are experiencing periods of transition or who seek to progress in their faith Poetic and passionate in language and authentic about the challenges posed by change this frank book aims to inspire and stir our appetite for passing from one life stage to another Combining revealing insights from literature psychology and other fields Mark Brickman offers an incisive reading of Scripture that can enrich life in flux Be equipped for a transformative journey into deeper identification with Christ and the fullness of life that he brings *Pieces of Light* Charles Fernyhough,2013-03-19 In a blend of memoir and science a psychologist presents a thoughtful exploration of autobiographical memory Booklist A new consensus is emerging among cognitive scientists rather than possessing fixed unchanging memories we create new recollections each time we are called upon to remember As psychologist Charles Fernyhough explains remembering is an act of narrative imagination as much as it is the product of a neurological process In *Pieces of Light* he illuminates this compelling scientific breakthrough in a series of personal stories each illustrating memory s complex synergy of cognitive and neurological functions Combining science and literature the ordinary and the extraordinary this fascinating tour through the new science of autobiographical memory helps us better understand the ways we remember and the ways we forget Book of the Year Sunday Times Sunday Express and New Scientist [The Staircase in the Woods](#) Chuck Wendig,2025-04-29 NATIONAL BESTSELLER A group of friends investigates the mystery of a strange staircase in the woods in this mesmerizing horror novel from the New York Times bestselling author of *The Book of Accidents* Chuck Wendig weaves his magic once more turning a lonely staircase in the woods into a searing propulsive dread filled exploration of the horrors of knowing and being known Kiersten White author of *Hide and Lucy* Undying ONE OF VULTURE S BEST BOOKS OF THE YEAR SO FAR Five high school friends are bonded by an oath to protect one another no matter what Then on a camping trip in the middle of the forest they find something extraordinary a mysterious staircase to nowhere One friend walks up and never comes back down Then the staircase disappears Twenty years later the staircase has reappeared Now the group returns to find the lost boy and what lies beyond the staircase in the woods **The Nation** ,2005 *A Field Guide to Getting Lost* Joy McCullough,2020-04-14 A cozy and enjoyable read Kirkus Reviews The likable cast and relatable premise will resonate with readers grappling with the uncertainty of change Booklist A girl with a passion for science and a boy who dreams of writing fantasy novels must figure out how to get along now that their parents are dating in this lively endearing novel Sutton is having robot problems Her mini bot is supposed to be able to get through a maze in under a minute but she must have gotten something wrong in the coding Which is frustrating for a science minded girl like Sutton almost as frustrating as the fact that her mother probably won t be home in time for Sutton s tenth birthday Luis spends his days writing thrilling stories about brave kids but there s only so much inspiration you can find when you re stuck inside all day He s allergic to bees afraid of dogs and has an overprotective mom to boot So Luis can only dream of daring adventures in the wild Sutton and Luis couldn t be more different from each other Except now that their parents are dating these two have to find some common ground
