## **Estate Planning And Taxation:**

*Estate Planning For Dummies* N. Brian Caverly, Jordan S. Simon, 2003-03-07 Planning for your family's future made easy. If you're like most people, you want to be sure that once you've passed on, no more of your property and money will be lost to the government than is absolutely necessary. You want to know that you'll be leaving your heirs your assets and not your debts. You want to be absolutely certain that your will is ship shape, your insurance policies are structured properly, and that every conceivable hole in your estate plan has been filled. And most of all, you'd like to do all of this without driving yourself crazy trying to make sense of the complicated jargon, jumble of paperwork, and welter of state and federal laws involved in the estate planning process. Written by two estate planning pros, this simple, easy-to-use guide takes the pain out of planning for your ultimate financial future. In plain English, the authors walk you step by step through everything you need to know to put your estate into order. Minimize estate taxes. Write a proper will. Deal with probate. Set up trusts. Make sure your insurance policies are structured properly. Plan for special situations like becoming incompetent and pet care. Craft a solid estate plan and keep it up to date. Don't leave the final disposition of your estate up to chance and the whims of bureaucrats. *Estate Planning For Dummies* gives you the complete lowdown on: Figuring out what you're really worth. Mastering the basics of wills and probate. Using will substitutes and dodging probate taxes. Setting up protective trusts, charitable trusts, living trusts, and more. Making sense of state and federal inheritance taxes. Avoiding the generation-skipping transfer tax. Minimizing all your estate-related taxes. Estate planning for family businesses. Creating a comprehensive estate plan. Straightforward, reader-friendly, easy to use. *Estate Planning For Dummies* is the ultimate guide to planning your family's future. *Estate Planning and Taxation* William Joseph Bowe, 1957 **How to Save Taxes Through Estate Planning** Robert J. Pinto, 1979 **Estate Planning** William P. Streng, 2016-02-08 Plan ahead: estate planning to secure your wishes. Estate Planning is your overview of the estate planning concepts that are necessary to consider when advising your clients about the different facets of wealth transfer planning. This fundamental reference presents the basic estate, gift, and trust planning ideas in a descriptive and accessible manner, allowing you to easily and conveniently access the information you need when you need it. This essential text covers the development of estate planning strategies for your clients, the fundamentals of the federal transfer tax system, relevant federal income tax rules, lifetime donative asset transfers, gratuitous property transfers at death, generation-skipping transfers, special property transfer planning considerations, and post-mortem planning. When done effectively, estate planning enables your clients to make both lifetime and testamentary transfers of assets to beneficiaries of their choice. In the process, strategic, successful estate planning strategies conserve wealth for these beneficiaries, who are often family members of the client. Leveraging the right methods of estate planning can ensure that you achieve your client's objectives. Explore the fundamentals of estate planning as they relate to wealth transfer planning. Dive into special property transfer planning considerations, including community property, life insurance, charitable transfers.

closely held corporations etc Better serve your clients by having access to relevant easy to navigate information on estate planning best practices Reinforce these new ideas with a comprehensive test bank Estate Planning is your guide to estate planning concepts that help you protect your assets during wealth transfer and prepare for your assets to change hands as smoothly as possible
