Estética del cine

Autores: Alain Bergala, Jacques Aumont y Michel Marie

Publicada en el 1996

La presente obra ofrece un panorama completo sobre la teoría y la estética del cine según sus más recientes enfoques, de manera que las últimas investigaciones sobre el tema acaban enmarcándose e una evolución histórica de los distintos momentos y corrientes que han ido configurando la teoría general del cine. Su estilo es sencillo y muy comprensible, y no sólo permite entender el cómo y el porqué de estas conclusiones, sino también realiza una aportación inestimable: establece una relación entre el cine y el conjunto de disciplinas no específicas que lo complementan y enriquecen. De fluida y atractiva redacción, en fin, el libro está principalmente destinado a los estudiantes de cine o de estética en general, aunque puede ser también un excelente instrumento de trabajo para todos aquellos que quieran incorporar el cine a sus enseñanzas o conocimientos.

Estetica Del Cine
