The victory of Christ is the only victory by which all human beings can rejoice from the primordial to the last Every other victory on earth has divided people When one king of the earth triumphs over another king one of them rejoices and the other mourns When a person defeats his neighbor then under one roof a song and under the other crying But there is no triumphant joy on earth that is not poisoned by gloating the ordinary earthly winner rejoices as much as his laughter so much and the tears of the defeated enemy He himself does not notice how anger half dilutes his joy
