 behind the Captain America comics and movies publishing in advance of the movie release of Captain America The Winter  
 Solider in April 2014 In The Virtues of Captain America philosopher and long time comics fan Mark D White argues that the  
 core principles compassion and judgment exhibited by the 1940 s comic book character Captain America remain relevant to  
 the modern world Simply put Cap embodies many of the classical virtues that have been important to us since the days of the  
 ancient Greeks honesty courage loyalty perseverance and perhaps most importantly honor Full of entertaining examples from  
 more than 50 years of comic books White offers some serious philosophical discussions of everyone s favorite patriot in a  
 light hearted and accessible way Presents serious arguments on the virtues of Captain America while being written in a light  
 hearted and often humorous tone Introduces basic concepts in moral and political philosophy to the general reader Utilizes  
 examples from 50 years of comics featuring Captain America the Avengers and other Marvel superheroes Affirms the value of  
 old fashioned virtues for the modern world without indulging in nostalgia for times long passed Reveals the importance of the  
 sound principles that America was founded upon Publishing in advance of Captain America The Winter Soldier out in April
