*Lincoln, Inc.* Jackie Hogan,2011-10-16 From Lincoln themed cocktails and waffle parlors to high tech museums and steamy romance novels the image of Abraham Lincoln so permeates the national imagination that we now find him in the unlikeliest of places In *Lincoln Inc* Jackie Hogan examines the uses and abuses of the sixteenth president in the United States

today The book takes readers on a journey through the little white lies of Lincoln tourism and offers a front row seat as the martyr president is invoked in heated political debates over such issues as homosexuality abortion and the war on terror Readers enter classrooms that use an idealized Honest Abe to Lincolnize American schoolchildren And readers step into the alternate universe of Lincoln fiction that transforms the Rail Splitter by turns into a hapless time traveler a sentimental cyborg an axe wielding zombie slayer or a frontier heart throb But Lincoln Inc is more than a tour through the thriving Lincoln industry today Whether in staid biographies blockbuster films school pageants or sleeping pill advertisements Hogan shows how the use of the Lincoln image reveals the nation s shared fears and fascinations The book analyzes the ways we employ Lincoln today in our political ideological personal and national struggles the ways we simultaneously deify and commercially exploit him the ways he is packaged and sold in the marketplace of American ideas In learning about Lincoln Inc we learn about ourselves about who we think we are and who we wish we could be

**The Lincoln Library of Essential Information Named in Honor of Abraham Lincoln, Whose Inspiring Example Demonstrated the Possibilities of Self-education**, 1967 **Lincoln's Unfinished Work** Orville Vernon Burton, Peter Eisenstadt, 2022-05-18

In his Gettysburg Address Abraham Lincoln promised that the nation s sacrifices during the Civil War would lead to a new birth of freedom Lincoln s Unfinished Work analyzes how the United States has attempted to realize or subvert that promise over the past century and a half The volume is not solely about Lincoln or the immediate unfinished work of Reconstruction or the broader unfinished work of America coming to terms with its tangled history of race it investigates all three topics The book opens with an essay by Richard Carwardine who explores Lincoln s distinctive sense of humor Later in the volume Stephen Kantrowitz examines the limitations of Lincoln s Native American policy while James W Loewen discusses how textbooks regularly downplay the sixteenth president s antislavery convictions Lawrence T McDonnell looks at the role of poor Blacks and whites in the disintegration of the Confederacy Eric Foner provides an overview of the Constitution shattering impact of the Civil War amendments Essays by J William Harris and Jerald Podair examine the fate of Lincoln s ideas about land distribution to freedpeople Gregory P Downs focuses on the structural limitations that Republicans faced in their efforts to control racist violence during Reconstruction Adrienne Petty and Mark Schultz argue that Black land ownership in the post Reconstruction South persisted at surprisingly high rates Rhonda Robinson Thomas examines the role of convict labor in the construction of Clemson University the site of the conference from which this book evolved Other essays look at events in the twentieth and twenty first centuries Randall J Stephens analyzes the political conservatism of white evangelical Christianity Peter Eisenstadt uses the career of Jackie Robinson to explore the meanings of integration Joshua Casmir Catalano and Briana Pocratsky examine the debased state of public history on the airwaves particularly as purveyed by the History Channel Gavin Wright rounds out the volume with a striking political and economic analysis of the collapse of the Democratic Party in the South Taken together the essays in this volume offer a far reaching thought

provoking exploration of the unfinished work of democracy particularly as it pertains to the legacy of slavery and white supremacy in America Did Lincoln Own Slaves? Gerald J. Prokopowicz, 2009-01-06 In the bicentennial year of Lincoln's birth here is the one indispensable book that provides all you need to know about our most revered president in a lively and memorable question and answer format You will learn whether Lincoln could dunk a basketball or tell a joke Was he the great emancipator or a racist If he were alive today could he get elected Did he die rich Did scientists raise Lincoln from the dead From the seemingly lighthearted to the most serious Gerald Prokopowicz tackles each question with balance and authority and weaves a complete satisfying biography that will engage young and old scholars and armchair historians alike
