

Splish Company establishes a stock-appreciation rights program that entitles its new president Ben Davis to receive cash for the difference between the market price of the stock and a pre-established price of \$33 (also market price) on December 31, 2021, on 38,700 SARs. The date of grant is December 31, 2021, and the required employment (service) period is 4 years. President Davis exercises all of the SARs in 2027. The fair value of the SARs is estimated to be \$6 per SAR on December 31, 2022; \$9 on December 31, 2023; \$16 on December 31, 2024; \$6 on December 31, 2025; and \$19 on December 31, 2026.
