**Encyclopaedia of Books on China** Arthur Probsthain,1927      Isan Writers, Thai Literature Martin B. Platt,2013-08-20  
Regional characteristics and regional language feature prominently in discussions of Thai identity but there is little mention of regional literatures In northeastern Thailand s Isan region authors write primarily in Thai but it is possible nonetheless to identify an Isan literature which played a significant and at times pivotal role in the development of Thai literature in the second half of the twentieth century as authors grappled with how their origins and experiences related to the Thai centre Martin Platt s account of Isan literature is an important first step toward a broader study of regional literatures in Thailand and shapes a model that has relevance for examining literary works in other Asian countries      **The Author** ,1903      **The Library of Congress Author Catalog** Library of Congress,1953      A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century Samuel Austin Allibone,1891      **A Critical Dictionary of English Literature and British and American Authors** Samuel Austin Allibone,1897      **Cold War Reckonings** Jini Kim Watson,2021-08-03 Honorable Mention 2022 Ren Wellek Prize How did the Cold War shape culture and political power in decolonizing countries and give rise to authoritarian regimes in the so called free world Cold War Reckonings tells a new story about the Cold War and the global shift from colonialism to independent nation states Assembling a body of transpacific cultural works that speak to this historical conjuncture Jini Kim Watson reveals autocracy to be not a deficient form of liberal democracy but rather the result of Cold War entanglements with decolonization Focusing on East and Southeast Asia the book scrutinizes cultural texts ranging from dissident poetry fiction and writers conference proceedings of the Cold War period to more recent literature graphic novels and films that retrospectively look back to these decades with a critical eye Paying particular attention to anti communist repression and state infrastructures of violence the book provides a rich account of several U S allied Cold War regimes in the Asia Pacific including the South Korean military dictatorship Marcos rule in the Philippines illiberal Singapore under Lee Kuan Yew and Suharto s Indonesia Watson s book argues that the cultural forms and narrative techniques that emerged from the Cold War decolonizing matrix offer new ways of comprehending these histories and connecting them to our present The book advances our understanding of the global reverberations of the Cold War and its enduring influence on cultural and political formations in the Asia Pacific Cold War Reckonings is available from the publisher on an open access basis      *The Academy* ,1895  
The Independent ,1925      A Critical Dictionary of English Literature and British and American Authors, Living and Deceased Samuel Austin Allibone,1896      **A Sarong for Clio** Maurizio Peleggi,2018-08-06 A Sarong for Clio testifies to an ongoing intellectual dialogue between its ten contributors and Craig J Reynolds who inspired these essays Conceived as a tribute to an innovative scholar dedicated teacher and generous colleague it is this volume s ambition to make a concerted intervention on Thai historiography and Thai studies more generally by pursuing in new directions ideas that figure

prominently in Reynolds's scholarship. The writings gathered here revolve around two prominent themes in Reynolds's scholarship: the nexus of historiography and power and Thai political and business cultures often so intertwined as to be difficult to separate. The chapters examine different types of historical texts: Thai political discourse and political culture and the media production of consumer culture.
