Harlots And Heresy:

Harlots And Heresy Isabel Merians, 2004-06-30 Sexual love was once regarded as so sacred and holy that the Sacred Sexual Mysteries were taught within the temple itself a time when the great Goddess was considered the Creator of the Universe Harlots and Heresy is an exciting fictionalized account of five of these women Jezebel Delilah Salome Athaliah and Lilith Each tells her own compelling story The Old Testament was written at a time when Yahweh's followers were in conflict with the Goddess worshippers Learn how these magnificent powerful women were demonized as politics and faiths collided

Commentary on the Revelation of St. John William Bruce (Minister of the New Jerusalem Church, Edinburgh.), 1877
Madness, Heresy, and the Rumor of Angels Seth Farber, 1993 This is a collection of seven true stories of individuals insulted and injured by the mental health system individuals who then fought back broke free and rebuilt their lives Madness Heresy and the Rumor of Angels is a work in the tradition of Thomas Szasz R D Laing and Erving Goffman a challenge to the delusional belief system known as psychiatry and a protest against its appalling crimes **Explorations in Theology** Hans Urs Von Balthasar, 2011-10-27 In this volume von Balthasar looks at the Church the Bride of Christ as both unspotted and unfaithful the Church of saints and of sinners He goes through Scripture and tradition looking at both sides of the Church and what they mean The Gospel of the Kingdom of Heaven Frederick Denison Maurice, 1864 *Medieval Heresy & the Inquisition* Arthur Stanley Turberville, 1920 **The Apocalypse Or Book of Revelations, Explained According to the Spiritual Sense, Wherein are Disclosed the Arcana Therein Foretold which Have Been Hitherto Hidden** Emanuel Swedenborg, 1889 **Mediaeval Heresy & the Inquisition** Arthur Stanley Turberville, 1920 **Rabbinic Essays** Jacob Zallel Lauterbach, 1951 **Dante's Enigmas** Richard Kay, 2024-10-28 Dante's Comedy is a puzzling poem because the author wanted to lead his readers to understanding by engaging their curiosity While many obscure matters are clarified in the course of the poem itself others have remained enigmas that have fascinated Dantists for centuries Over the last thirty five years Richard Kay has proposed original solutions to many of these puzzles these are collected in the present volume Historical context frames Kay's readings which relate the poem to such standard sources as the Bible Aristotle Aquinas and the Latin classics but he also goes beyond these Scholastic sources to exploit Dante's use of less familiar aspects of Latin clerical culture including physiognomy Vitruvian proportions and optics and most especially astrology Kay explores new ways to read the Comedy For instance he argues that Dante has embedded references to his authorities in a continuous series of acrostics formed by the initial letters of each tercet Again he shows how Dante returns to the theme of each infernal canto and develops it in the parallel cantos of Purgatorio and Paradiso Particularly worthy of note are four essays on the poem's finale in the Empyrean **Bye-gones**, 1892 **The Apocalypse Explained According to the Spiritual Sense** Emanuel Swedenborg, 1892 *The Last of the Heretics* Algernon Sidney Crapsey, 1924 **The Cambrian**, 1892 Essays in Modern Theology and Related Subjects, 1911 **The harlot's progress, The hated son, and other stories** Honoré de

Balzac,1899 The Bible Cyclopedia John Parker Lawson,1850 *Apocalypse Explained* Emanuel Swedenborg,2013-11-19
This writing was left unpublished at Swedenborg's death although it had apparently been carefully prepared for publication
Except towards the end it is almost exclusively an exposition of the spiritual sense of Scripture Not only is every phrase in
the Apocalypse as far as covered separately explained but thousands of passages gathered from all parts of the Word are
quoted and expounded These expositions close with the tenth verse of the nineteenth chapter Towards the end extended
doctrinal discussions are introduced Both for its exposition of passages of Scripture and for its doctrinal statements this is an
exceedingly important and valuable work It is especially instructive in its expositions of the Psalms the Prophets and the
Gospels **Dictionary of Sects, Heresies, Ecclesiastical Parties, and Schools of Religious Thought** John Henry
Blunt,1874 This comprehensive guide covers a wide range of religious sects heresies parties and schools of thought from
Abecedarians to Zwinglians The work's Classified Table of the Principal Contents organizes the alphabetically arranged
entries under the following categories Jewish sects heathen religions heretics New Testament early and later Medieval sects
and heresies Continental sects English sects chief existing sects Scottish sects American sects Russian sects church parties
and schools of thought Entries cover the history founders and leaders importance and effects of each sect with citations to
relevant Biblical passages and other religious and historical works **The Comédie Humaine: The harlot's progress, v.**
