For Today:

Jesus Christ for Today's World Jürgen Moltmann, Margaret Kohl, 1995-08-21 Jürgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today. He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the future in which God will restore everything and gather everything into his kingdom. Urging that acknowledgment of Christ and discipleship are two sides of the same coin, Moltmann contends that the question of Jesus Christ for today is not just an intellectual one. Moltmann takes fresh approaches to a number of crucial topics: Jesus and the kingdom of God, the passion of Christ and the pain of God, Jesus as brother of the tortured and the resurrection of Christ as hope for the world, the cosmic Christ, Jesus in Jewish-Christian dialogue, the future of God and others.

God's Word for Today's World John Stott, 2015-01-14 Nothing is more important than hearing, understanding, and obeying God's Word. Our lives and local churches depend on this for their life, health, and growth. John Stott is well known worldwide for the commitment he had to the Bible both in his preaching and in his living. In this persuasive book, Stott concisely demonstrates the power, authority, and relevance of the Bible for every Christian in every culture and generation. What is the purpose of God's Word? How does it point us to Christ? What is its relationship to the Holy Spirit? How does it shape the church? And what does it mean for Christian discipleship? The author answers these questions with simplicity and clarity, urging us to hear and obey God's Word in today's world.

Editing for Today's Newsroom Carl Sessions Stepp, 2008-06-30 Editing for Today's Newsroom provides training, support, and advice for prospective news editors. Through history, analyses, and anecdotes, this book offers a solid grounding to prepare potential editors for the full range of their responsibilities in today's newsrooms: developing ideas, evaluating and editing copy, working with writers, determining what is news, understanding presentation and design, directing news coverage, managing people, making decisions under pressure, and coping with a variety of ethical, legal, and professional considerations, all while operating in today's multimedia, multiplatform news arena. Author Carl Sessions Stepp focuses on editors as newsroom decision makers and quality controllers. Accordingly, the book features strategies and techniques for coping with a broad spectrum of editing duties. Covering basic and advanced copyediting skills, it also provides intellectual context to the editor's role, critically examining the history of editing and the changing job of the contemporary editor.

Risking Leadership: Training Timothy for today's church Steve Baney, M. Div., 2014-12 Leadership is no simple task To lead in a godly way involves a considerable amount of risk Paul understood this truth when the Holy Spirit inspired him to write his first letter to his disciple Timothy By studying Timothy s ministry as recorded in Acts and the instruction he received from Paul we have much to learn about discipleship and ministry leadership *Risking Leadership* is designed as a self guided study and or a group study taking the reader step by step through the entire letter of 1 Timothy with special emphasis given to application to today s life and ministry leadership It begins with a brief biography of Timothy based upon Acts and other biblical texts that describe him This study is essential for effectiveness in the way you follow and serve Jesus Christ I have sent to you Timothy my son whom I love who is faithful in the Lord He will remind you of my way of life in Christ Jesus which agrees with what I teach everywhere in every church 1 Corinthians 4 17 NIV *Journal*

Law and Ethics for Today's Journalist Joe Mathewson,2014-12-18 Law and Ethics for Today's Journalist offers aspiring and working journalists the practical understanding of law and ethics they must have to succeed at their craft Instead of covering every nuance of media law for diverse communications majors Mathewson focuses exclusively on what's relevant for journalists Even though media law and media ethics are closely linked together in daily journalistic practice they are usually covered in separate volumes Mathewson brings them together in a clear and colourful way that practicing journalists will find more useful Everything a journalist needs to know about legal protections limitations and risks inherent in workaday reporting is illustrated with highlights from major court opinions Mathewson advises journalists who must often make ethical decisions on the spot with no time for the elaborate multi faceted analysis The book assigns to journalists the hard decisions on ethical questions such as whether to go undercover or otherwise misrepresent themselves in order to get a big story The ethics chapter precedes the law chapters because ethical standards should underlie a journalist's work at all times There may be occasions when ethics and law are not parallel thus calling for the journalist to make a personal judgment Law and Ethics for Today's Journalist is user friendly written in clear direct understandable language on issues that really matter to a working journalist Supplementary reading of the actual court cases is recommended and links to most cases are provided in the text The text includes a fine but purposely not exhaustive bibliography listing important and useful legal cases including instructive appellate and trial court opinions state as well as federal

For Today Introduction

In today's digital age, the availability of For Today books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of For Today books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of For Today books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing For Today versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, For Today books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing For Today books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for For Today books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, For Today books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast

library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of For Today books and manuals for download and embark on your journey of knowledge?
