Rhetoric and Philosophy Richard A. Cherwitz, Henry W. Johnstone Jr.,2014-06-03 This important volume explores alternative ways in which those involved in the field of speech communication have attempted to find a philosophical grounding for rhetoric Recognizing that rhetoric can be supported in a wide variety of ways this text examines eight different philosophies of rhetoric realism relativism rationalism idealism materialism existentialism deconstructionism and pragmatism The value of this book lies in its pluralistic and comparative approach to rhetorical theory Although rhetoric may be the more difficult road to philosophy the fact that it is being traversed by a group of authors largely from speech communication demonstrates important growth in this field Ultimately there is recognition that if different thinkers can have solid reasons to adhere to disparate philosophies serious communication problems can be eliminated Rhetoric and Philosophy will assist scholars in choosing from among the many philosophical starting places for rhetoric

Rereading Aristotle's Rhetoric Alan G. Gross,Arthur E. Walzer,2000-04-05 In this collection edited by Alan G Gross and Arthur E Walzer scholars in communication rhetoric and composition and philosophy seek to reread Aristotle s Rhetoric from a purely rhetorical perspective So important do these contributors find

the Rhetoric in fact that a core tenet in this book is that all subsequent rhetorical theory is but a series of responses to issues raised by the central work Gross and Walzer do not seek to renew the ancient quarrel between philosophy and rhetoric rather they call for a healthy division of labor demanding that purely rhetorical issues are genuine and must be explored For that purpose all three books of the Rhetoric are essential The essayists reflect on questions basic to rhetoric as a humanistic discipline Some explore the ways in which the Rhetoric explicates the nature of the art of rhetoric noting that on this issue the tensions within the Rhetoric often provide a direct passageway into our own conflicts Specifically Carolyn R Miller s exploration of topical invention within the Aristotelian tradition addresses the question What does it mean to say that rhetoric is generative or epistemic as distinguished from instrumental or managerial Alan G Gross examining the meaning of Techne asks whether we should think of rhetoric as the basis for an art of civic deliberation Arthur E Walzer and Barbara Warnick discuss what it means to say that rhetoric is contextualized culturally situated art in contrast with arts such as logic and dialectic that have more universal claims Jeffrey Walker reflects on the contradictions between Aristotle s account of the passions in the Rhetoric and accounts found elsewhere in Aristotle s work Similarly Thomas B Farrell seeks to understand what validity might mean in a rhetorical context Jeanne Fahnestock examines the influences of the Rhetoric s treatment of style on subsequent understandings of rhetoric Robert N Gaines warns of irresponsible appropriations of Aristotle while Eugene Garver demonstrates that even responsible appropriation is problematic Lawrence D Green puts the issue of appropriation into historical perspective by demonstrating how it was contested even in the interpretive practices of the Renaissance Finally the editors comprehensive bibliographic essay describes resources that would be of particular help to the Greekless reader and classifies and summarizes nearly one hundred books and articles written on the Rhetoric

The Essential Guide to Rhetoric William M. Keith, Christian Oscar Lundberg, 2017-11-10 As both professors and scholars Christian Lundberg and William Keith believe that an understanding of rhetorical theory and its practical applications is a critical component of effective and competent communication Most importantly the authors are convinced that an understanding of rhetoric and of how persuasive strategies can advance or detract from public life is crucial for the future of our democracy

Mapping Christian Rhetorics Michael-John DePalma, Jeffrey M. Ringer, 2014-10-10 The continued importance of Christian rhetorics in political social pedagogical and civic affairs suggests that such rhetorics not only belong on the map of rhetorical studies but are indeed essential to the geography of rhetorical studies in the twenty first century This collection argues that concerning ourselves with religious rhetorics in general and Christian rhetorics in particular tells us something about rhetoric itself its boundaries its characteristics its functionings In assembling original research on the intersections of rhetoric and Christianity from prominent and emerging scholars Mapping Christian Rhetorics seeks to locate religion more centrally within the geography of rhetorical studies in the twenty first century It does so by acknowledging work on Christian rhetorics that has been

overlooked or ignored connecting domains of knowledge and research areas pertaining to Christian rhetorics that may remain disconnected or under connected and charting new avenues of inquiry about Christian rhetorics that might invigorate theory building teaching research and civic engagement In dividing the terrain of Christian rhetorics into four categories theory education methodology and civic engagement Mapping Christian Rhetorics aims to foster connections among these areas of inquiry and spur future future collaboration between scholars of religious rhetoric in a range of research areas
