Campbell's body is found at the bottom of a steep hill and his easel stands at the top suggesting that he took a tumble while painting. But something about the death doesn't sit right with gentleman sleuth Lord Peter Wimsey. No one in Kirkcudbright liked Campbell and six hated him enough to become suspects. Five are innocent and the other is the perpetrator of one of the most ingenious murders Lord Peter has ever encountered. Sayers was a renowned English crime writer, poet, playwright, essayist, translator, Christian humanist, and a student of classical and modern languages. She is best known for her mysteries, a series of novels and short stories set between the First and Second World Wars that feature English aristocrat and amateur sleuth Lord Peter Wimsey that remain popular to this day. However, Sayers herself considered her translation of Dante's *Divine Comedy* to be her best work. She is also known for her plays, literary criticism, and essays. [Five Red Herrings](#).
