Classical Dressage Training in Practice according to the H.Dv.12 Gert Schwabl von Gordon,2022-06-30 This book is my husband's life's work which is dedicated to the well being of horses something I have always supported We founded the Friends Association for Classical Dressage Training in 1977 so that classical equitation the way it was taught at the world famous Cavalry School of Hannover didn't disappear In particular I would like to emphasize his work with poorly trained horses Thanks to his comprehensive expertise and riding ability he was always able to correct them and make them into rideable mounts My husband's tireless energy in the training of horse and rider as well as his sense of duty to the cause he had chosen to serve were the main contributing factors to the writing of this book especially after his expert articles Classical Dressage Training in Practice had gained nation wide attention in Germany
