**Drew Beisswenger**

## **Fiddler And Mccan:**

**Ozarks Fiddle Music** Drew Beisswenger, 2016-04-19 This book which includes 308 tune transcriptions is organized around individual fiddlers who typically combine Appalachian style fiddling with rags pop standards Midwest style fiddling and sometimes a touch of Western swing to create a style often identifiable as Ozarks Thirty Ozarks fiddlers and their lives are highlighted with biographical sketches photographs and tune histories Another 50 great Ozarks fiddlers are presented in a similar manner but with less detail the book and accompanying CD with 37 tunes many recorded in the field emphasize the older fiddling traditions connected to the square dances and community events more than those connected to bluegrass music and modern contest fiddling Some of the tunes in the collection are old standbys such as Bile Them Cabbage while others such as Finley Creek Blues are unique to the region The book is the result of years of work by two respected researchers Gordon McCann won the prestigious Missouri Arts Award in 2002 for his decades of work documenting studying and accompanying Ozarks fiddle music Drew Beisswenger a music librarian at Missouri State University with a Ph D in ethnomusicology has published three other works about fiddle music and is known for his strong transcription and analysis skills

[North American Fiddle Music](#) Drew Beisswenger, 2011-05-31 [North American Fiddle Music](#) A Research and Information Guide is the first large scale annotated bibliography and research guide on the fiddle traditions of the United States and Canada These countries both of which have large immigrant populations as well as Native populations have maintained fiddle traditions that while sometimes faithful to old world or Native styles often feature blended elements from various traditions Therefore researchers of the fiddle traditions in these two countries can not only explore elements of fiddling practices drawn from various regions of the world but also look at how different fiddle traditions can interact and change In addition to including short essays and listings of resources about the full range of fiddle traditions in those two countries it also discusses selected resources about fiddle traditions in other countries that have influenced the traditions in the United States and Canada
