The Fifiella Log Tom Edwards, Yachtmaster (Ocean),2016-02-23 The Fifiella Log tells my true story of sailing around the world in a thirty foot boat for four and a half years It describes terrible storms and three hurricanes encountered during the voyage one of which in the Bay of Plenty off the north coast of New Zealand damaged our boat Fifiella During that two day battle Fifi lost three foresails two mainsails the self steering vane reefing pawl a forestay and other pieces of equipment besides broken cupboards destroyed books charts and food stocks But it was not all like that Weeks were spent drifting in the doldrums in energy sapping heat where you burnt above deck and baked below where you gritted your teeth to cut off sharp retorts trying to subjugate your anger and frustration to funnel it into positive action The good times far outweighed the bad We experienced the incredible charm of the English south coast met many wonderful people and visited exotic places where we could pick breadfruit bananas and coconuts We traded with islanders and made biltong from horsemeat and dived and spear fished our way up the Great Barrier Reef enjoying the beauty of the Australian coast Sailing on my own from Darwin to Durban via Christmas Island Cocos Keeling Seychelles and the Comoros gave me time for introspection I hope I am a better man for it We had no fancy equipment no satellite navigation aids Our radio was basic and our funds minimal We had a compass and a plastic sextant navigation tables charts and a star chart The sea is unforgiving and does not tolerate carelessness or mistakes Be well prepared *School Library Journal* ,2010
