Fighters Over Israel:

Fighters Over Israel Lon O. Nordeen,1991 *Cold War Jet Combat* Martin W. Bowman,2016-01-30 Recounted here are nine of the earliest wars involving jet aircraft From the Korean War and beyond it comprises a wealth of gripping insight Many of the jet to jet dogfights that spanned these jet powered wars are enlivened to thrilling effect including those engaged in during the two Indo Pak Wars of 1965 and 1971 Operation Musketeer 1956 mounted when RAF and French Air Force bombers and fighter bombers attacked airfields and other targets in Egypt after President Nasser had nationalised the Suez Canal is also covered in this gripping narrative The Falklands Campaign is also covered as is the Vietnam War In another chapter QRA operations around the British Isles are put under the microscope as RAF Phantoms Lightnings Tornados and Typhoon Eurofighters on Quick Reaction Alert are described patrolling international air space and maintaining a constant vigil as Soviet Bears continued to test NATO defences All in all this is a compelling well researched and highly informative study of a particularly dynamic era in aviation history *Air Operations in Israel's War Against Hezbollah* Benjamin S. Lambeth,2011-04-28 Examines the inconclusive results of the Israeli Defense Forces operation in Lebanon after Hezbollah abducted two Israeli soldiers in 2006 which many believe represents a failure of air power The author demonstrates that this is an oversimplification of a more complex reality and contrasts the operation with Israel's counteroffensive against Hamas in the Gaza Strip in December 2008 and January 2009 *The Next Arab Decade* Hisham Sharabi,2019-07-11 This book is concerned with defining the nature of the crisis of the Arab world with tracing its possible development and with charting the conditions of its possible outcomes addressing the next decade from the vantage of 1986 rather than that of 1985 *The Encyclopedia of the Arab-Israeli Conflict* Spencer C. Tucker,Priscilla Roberts,2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon **The Heroes of Israel's Golden Age** George Dahl,1923 *Canada and the Birth of Israel* David J. Bercuson,1985-12-15 Canadian Zionists of the 1930s were anxious to involve their government in the Palestine question The pressure they brought to bear was fuelled by a new urgency when British policy in

Palestine denied entry to Jewish refugees from the Nazi terror Today there is a widely held impression that the Canadian government responded quickly and sympathetically to that pressure Jews and Arabs alike each for their own purposes have created the image of a Canada friendly to Zionism and of Canadian policy directed by such pro Zionists as Lester Pearson But as David Bercuson demonstrates the truth is far more complex In fact Zionist efforts to involve Canada in the Palestine question met with considerable resistance from Ottawa even when Canada was elected to membership on the United Nations Special Committee on Palestine in 1947 The partition of Palestine was eventually supported by Canada but begrudgingly Ottawa viewed partition as the least lousy solution to a problem that was acutely sensitive both diplomatically and politically Hardly the champions of Zionism that it has generally been considered Canada is revealed in Bercuson s study as having established a middle east policy not on moral or ideological grounds but on the basis of the politicians view of its own national interests
