Art and Innovation Craig Harris,1999 The idea behind Xerox s interdisciplinary Palo Alto Research Center PARC is simple If you put creative people in a hothouse setting innovation will naturally emerge PARC s Artist in Residence Program PAIR brings artists who use new media to PARC and pairs them with researchers who often use the same media though in different contexts The result is both interesting art and new scientific innovations Art and Innovation explores the unique process that grew from this pairing of new media artists and scientists working at the frontier of developing technologies In addition to discussing specific works created during several long term residencies the artists and researchers reveal the similarities and differences in their approaches and perspectives as they engage each other in a search for new methods of communication and creativity

Fire and Knowledge Péter Nádas,2007-07-24 Fire and Knowledge also acquaints us more fully with Nadas s evolution as a writer of fiction for it includes stories dating from the 1960s and 1970s when he had to write in extremely stringent sometimes dangerous circumstances and was often kept from publishing as well as stories from more recent years since the publication of his major novels and the reintegration of Western and Eastern Europe
