Christensen, 2023-06-06 The Scriptures are filled with fire including the encounter that Moses had at the burning bush The truth that Moses discovered holds the same relevance today as it did thousands of years ago and you will live a more fulfilling life when you appreciate the everlasting fire of the Lord God wants you to possess the fire that He has to offer In this book the author celebrates the power of God's fire answering questions such as Does the fire of God ever really burn out in your life How can you rekindle God's fire if you're struggling with your faith Why should you let the everlasting fire of God burn within you The primary message of this book is that although you may be filled with hurt and pain God's Spirit can burn in you again and make you whole Join the author as he explores how to overcome obstacles and enjoy the warmth of God's fire

what the soul already knows To reawaken that quiet ember within the one that responds when it hears the drum smells the smoke or feels the earth humming a language older than thought Volume I is the foundation the first flame and prepares the reader for the deeper darker and more dangerous lineages that follow in later volumes But without these roots there can be no ascent In a world of forgetting this is a book of remembering Let the first flame be lit **Lighted Windows** Frank Crane,1918 House & Garden ,1918
