**Bert Hellinger**

## Going My Own Way:

*Going My Own Way* Gary Crosby, Ross Firestone, 1983      Bing Crosby Gary Giddins, 2018-10-30 This is quite simply the best researched best written most entertaining music biography I've read. Mojo Bing Crosby dominated American popular culture in a way that few artists ever have. From the dizzy era of Prohibition through the dark days of the Second World War he was a desperate nation's most beloved entertainer. But he was more than just a charismatic crooner. Bing Crosby redefined the very foundations of modern music from the way it was recorded to the way it was orchestrated and performed. In *Bing Crosby Swinging on a Star* the much anticipated follow up to the universally acclaimed first volume of the multi-part biography NBCC Winner and preeminent cultural critic Gary Giddins now focuses on Crosby's most memorable period the war years and the origin story of *White Christmas*. Set against the backdrop of a Europe on the brink of collapse this groundbreaking work traces Crosby's skyrocketing career as he fully inhabits a new era of American entertainment and culture. While he would go on to reshape both popular music and cinema more comprehensively than any other artist Crosby's legacy would be forever intertwined with his impact on the home front a unifying voice for a nation at war. Over a decade in the making and drawing on hundreds of interviews and unprecedented access to numerous archives Giddins brings Bing Crosby his work and his world to vivid life firmly reclaiming Crosby's central role in American cultural history. Someone has to make the case for Crosby's historical importance and fortunately for Bing Gary Giddins has taken up the gauntlet with surprising vehemence. *Wall Street Journal* An evocative portrait of a man and a historical moment *Washington Post*      **To the Heart of the Matter** Bert Hellinger, 2003 In his courses and seminars Bert Hellinger works with patients to map out family constellations in a highly concentrated form. This book documents for the first time these highly intensive short-term therapies. These sessions provide insights into the hidden realities and broken relationships revealing new perspectives.

**The Girl's Own Annual**, 1899      **The Fiddlers' House, a Play in Three Acts, and The Land, an Agrarian Comedy** Padraic Colum, 1909      **Ghost Writer** Joe Fetti,      **Minding What Matters** Robert Langan, 2006-06 *Minding What Matters* interweaves beautifully written expositions of Buddhist topics and compelling fictional dialogues between a patient and psychotherapist. With vivid immediacy and a sense of playfulness Langan shows how any one of us can intimately explore the full possibilities of our own minds. This unique book offers in Robert Coles' words an entrancing vision of what it is possible to do and to be. Book jacket      **Strokes of Rhythm** Kathy L. Lathon, 2015-12-19 *Strokes of Rhythm* began as bits and pieces of torn paper on which I simply jotted my thoughts and emotions. I survived high school and college life by sifting through my feelings after seeing them in black and white. Somehow the bits and pieces mounted up into somewhat of a diary. Capturing almost every aspect of life happiness sadness prosperity love a spiritual realm touching upon every sense God gives us. To share this small portion of my well lit space in the world is a pleasure. Remember let there be light. As long as you stay in the light darkness comes only in your sleep and even then your dreams are luminous.      Collegial Leadership Theodore

Andoseh, Collegial Leadership offers a fresh perspective on leadership rooted in the timeless principles of the Bible In a world that often values individual success over collective achievement this book challenges leaders to consider a different paradigm one that prioritizes collegiality and intentionality Through the example of David and other biblical figures Theodore Andoseh provides a roadmap for leaders who seek not just to succeed but to build a leadership that accomplishes God s purposes in time and in eternity This book is a must read for anyone who desires to lead with integrity and purpose It demonstrates how a collegial approach to leadership can bring about not only success but also unity and spiritual growth within any team Whether you are leading a ministry a business or a community Collegial Leadership will equip you with the tools you need to lead effectively in a way that honours God and serves others Do not settle for short term success Collegial Leadership will help you build a leadership legacy that endures inspiring others to follow in your footsteps and accomplish the work God has entrusted to you This book is your guide to leading with others leading with purpose and leading with the heart
